Western Line School District Covid-19 Protocol

Avon, MS (January 2022) --- The Western Line School District has been working diligently to provide students with the best, in-person learning while maintaining safe, clean learning environments. During these unprecedented times, it is our goal to remain transparent and completely honest with parents in regards to Covid-19 cases in our buildings.

As of January 3, 2022, The Western Line School District has more than 20 staff members who have to quarantine due to close contact or positive results. We have also had a number of parents and students who have reported positive cases. Because of the rapid spread, WLSD will be participating in virtual learning January 4th - January 14th.

Teachers will be contacting parents and/or students in regards to assignment over this period. Please check your emails daily. Students must log on to each class at the regular scheduled time in order to receive credit. School Administrators will be at the school to hand out devices if your child did not take one home. A pickup schedule will be given by the school.

Lunches will be served curbside at each campus from 12:00pm – 1:00pm starting tomorrow. Sports & extracurricular activities will be postponed during this time.

We truly apologize for this inconvenience, however the safety of our staff and students will always be a top priority. Thank you for your continued support and understanding.
