Program Enrollment

## Program Support Definitions

Onsite Support

A Healthier Generation Program Manager for the program selected above meets with school staff in-person, conducting workshops and supporting schools' involvement in Healthier Generation programs.

Online or Virtual Support

Healthier Generation supports schools' involvement in programs virtually, working with a Virtual Program Manager, the Member Engagement and Support Team, and Content Experts, as well as webinars, email, phone, on-demand learning and other digital tools.

This report provides enrollment, action plan and assessment data for schools in the selected district, for the selected program and assessment.

The data can be used to understand trends in work completed, identify current areas of focus, and suggests areas of opportunity for future policy and practice change efforts.

KY | Action Plan Summary By Organization

● This Year's Goals total   ● To Work On Total   ● Done Total

School	Value
Christian Co High School	51
Christian Co Middle School	8
Crofton Elementary School	8
Hopkinsville High School	11
Hopkinsville Middle School	8
Martin Luther King Jr Elem Sch	3
Millbrooke Elementary School	4
Pembroke Elementary School	5
Sinking Fork Elementary School	1
South Christian Elem School	11

10 School(s) in the selected district with an Action Plan.
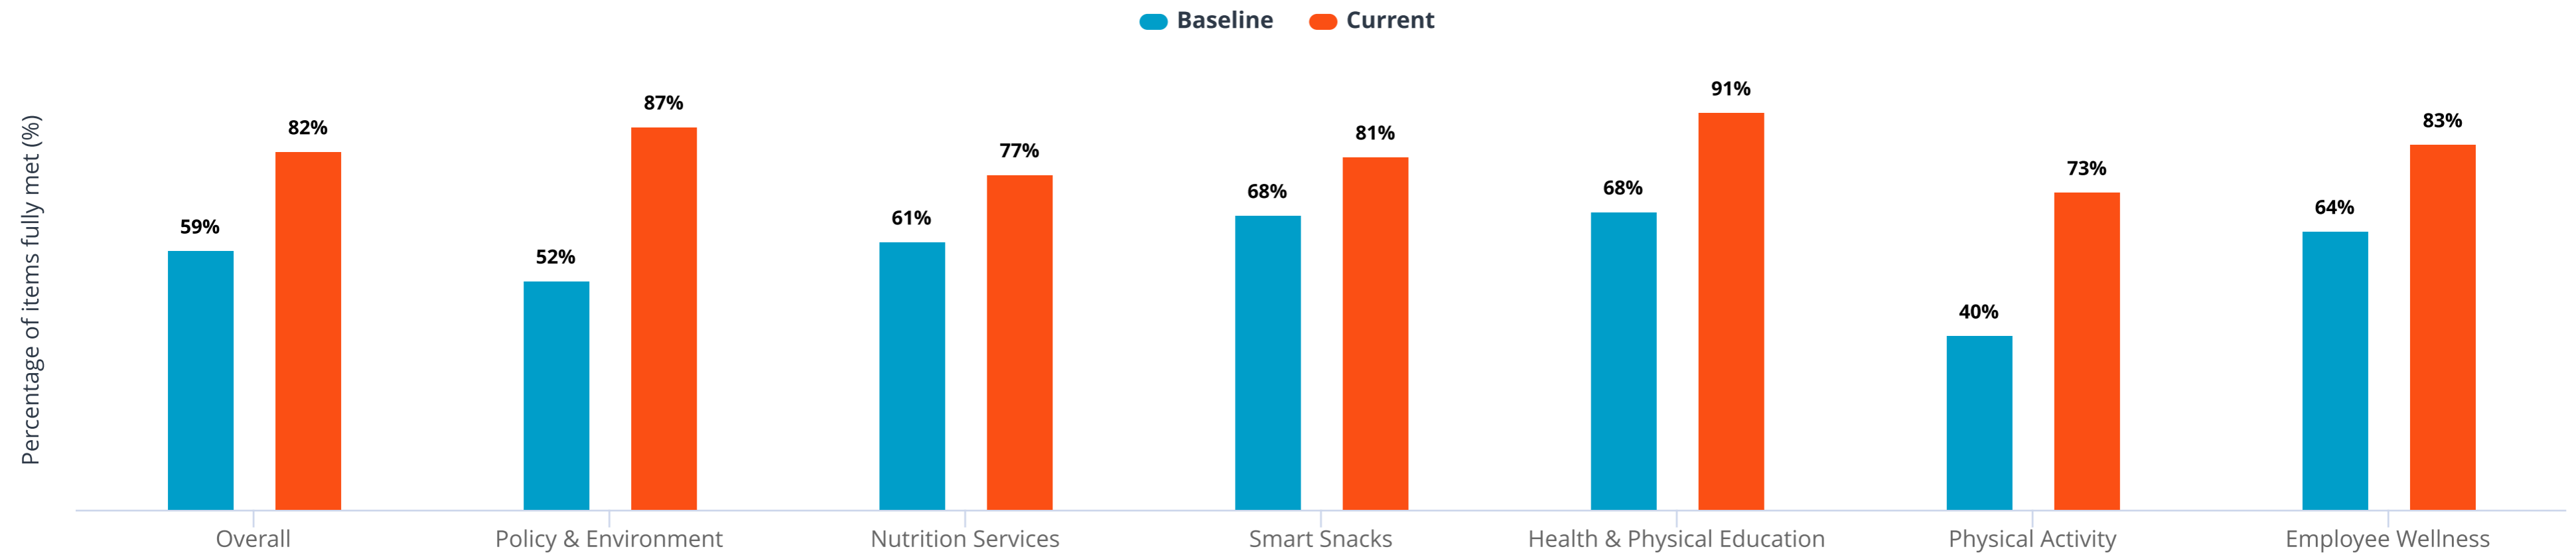

ALLIANCE FOR A HEALTHIER GENERATION

District Dashboard

This report provides enrollment, action plan and assessment data for schools in the selected district, for the selected program and assessment.

The data can be used to understand trends in work completed, identify current areas of focus, and suggests areas of opportunity for future policy and practice change efforts.

9 School(s) in the selected district with at least one item on their action plan from the selected assessment identified as "This Year's Goals".

Average Percent of Assessment Items Fully Implemented per School in Your District | Baseline Responses Compared to Current Responses

● Baseline   ● Current

Percentage of items fully met (%)

	Overall	Policy & Environment	Nutrition Services	Smart Snacks	Health & Physical Education	Physical Activity	Employee Wellness
Baseline	59%	52%	61%	68%	68%	40%	64%
Current	82%	87%	77%	81%	91%	73%	83%

Among schools that started the assessment, the number of items marked as "fully implemented" out of the number of items that could be marked "fully implemented", comparing baseline responses with current responses.

District Dashboard

The data can be used to understand trends in work completed, identify current areas of focus, and suggests areas of opportunity for future policy and practice change efforts.

KY | Progress Over Time | Baseline to Current | By Topic

Topic	% Not Responded	% Declined	% Maintained	% Improved
Employee Wellness	4.4%	1.1%	71.1%	23.3%
Health & Physical Education	19.7%	1.3%	59.2%	19.7%
Nutrition Services	8.9%	5.0%	64.4%	21.7%
Physical Activity	15.1%	5.7%	43.4%	35.8%
Policy & Environment	28.0%	2.1%	41.3%	28.7%
Smart Snacks	26.7%	4.8%	46.7%	21.9%

Change Status Definitions

Maintained - response is the same from baseline until latest response

Declined - the baseline response was a higher ranking answer (for example: Fully In Place) on the answer scale of the selected assessment than the latest response (for example: Under Development)

Improved - the baseline response was a lower ranking answer (for example: Partially In place) on the answer scale of the selected assessment than the latest response (for example: Fully In Place)

Denominator-The denominator for each topic is the number of schools that have responded to at least one question included in the selected assessment multiplied by the number of questions available in that topic.
