

# Stark County CUSD #100 PaCE Framework

## SCHS Postsecondary and Career Expectations

Each student should have an individualized learning plan to help make decisions about career and post-secondary (PS) education or training, to plan a course of study, and to make financial aid assessments with family members. All activities in the PaCE Framework can be tracked and reported in SchoolLinks. Districts are welcome to add their own activities to expand upon the recommended tasks.

By the end of 9th grade	By the end of 10th grade	By the end of 11th grade	By the end of 12th grade
