

# Clark-Shaw Magnet School National Junior Honor Society Community Service Log- 1<sup>st</sup> Quarter (Fall 2023)

Student Name \_\_\_\_\_ Grade \_\_\_\_\_ HR \_\_\_\_\_

**Directions:**

1. Every member of the NJHS is required to complete at least **10** hours of community service *per quarter*.
2. Use this chart to record **all of the service activities** that you participate in, and please give a detailed description of what you did at the service activity. You may turn this completed form in to Mrs. Howell any time before the due date listed below!
3. **An adult with the organizations must sign** this form to verify that you have completed each recorded task.
4. Acceptable service activities: Key word here is VOLUNTEER! Some ideas may include, but are not limited to: participate in a walk/run for a cause, volunteer at a non-profit organization, help a neighbor, etc. Chores at home do not count towards your total. *Any paid activity does not count*, like babysitting and yard work. If done without pay, you can have the adult sign your volunteer log! **Donations of items** (outside of the CSMS toy drive in December) **will not count**, as it is hard to assess. (Monetary donations to charities may not exceed \$50 yearly for credit towards community service hours. Please provide receipt(s). \$10 = 1 hour)
5. Thank you for being involved and representing Clark-Shaw with honor and integrity. We are very proud of you!
