## Highlights from Letters to Power 88

- I know I am truly blessed when I crank up my car in the mornings and Power 88 blasts from the speakers. I know that I don't have to worry about my son hearing anything bad from your radio station and for that I wish I could donate more than what I do at a time. Stay true in advancing the kingdom and may God rain his blessings on you, the radio station and all who listen.

## *Underwriters help support Christian Radio*

If Christian radio has made a difference in your life and you do not have a means of helping support the station financially, there are 2 other important things you can do:

1. Keep us in your prayers that God may use this radio ministry for His glory.
2. Support a business that underwrites. Thank them for their donation to help support local Christian radio and use their services when possible.

## **POWER 88 IS RADIO WITH A VISION**

When a person makes an investment in this ministry, they are participating in the encouragement of the listeners and in the winning of the lost to Christ.
