OSBA ANNUAL CONVENTION

NOV. 12-14, 2026 | PORTLAND MARRIOTT DOWNTOWN WATERFRONT

The **OSBA ANNUAL CONVENTION** is Oregon's premier continuing education program — delivering practical solutions to help school board members, executives, governance support professionals and all types of education leaders improve student learning and achievement.

Whether you are a first-time attendee or a veteran board member, school administrator or administrative professional, you'll leave the conference with practical ideas and a renewed commitment to help your school accomplish the critical work ahead. The convention features some of the best practices from school districts, education service districts, charter schools and community colleges across the state.

KEYNOTE SPEAKER | Friday, Nov. 13

Jeff Utecht is an educator, author and international consultant who helps school systems navigate the opportunities and challenges created by artificial intelligence. A former classroom teacher, instructional leader and international school administrator, Jeff has spent more than 20 years supporting educational transformation in schools around the world.

Jeff is the author of *Human Still Required: Leading Schools — The Work Machines Can't Do* and co-founder of Shifting Schools, a leading professional learning organization supporting educators through change. He has worked with hundreds of school districts, state agencies and international schools, helping leaders develop AI guidance, leadership strategies and future-ready learning environments.

Known for his practical, engaging and thought-provoking presentations, Jeff helps educational leaders prepare students for their future, not our past.
