# Parent's Guide to Title I

## What is Title I?

Title I, Part A is a federally funded program under the Every Student Succeeds Act (ESSA). The purpose of Title I under ESSA is to ensure that **all** children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

## Which Houston County schools are Title I schools?

|                          |                           |                      |
|--------------------------|---------------------------|----------------------|
| CB Watson Primary        | Northside High            | Thomson Middle       |
| Centerville Elementary   | Northside Middle          | Tucker Elementary    |
| Eagle Springs Elementary | Parkwood Primary          | Warner Robins High   |
| Huntington Middle        | Pearl Stephens Elementary | Warner Robins Middle |
| Shirley Hills Elementary | Westside Elementary       | Miller Elementary    |
| Russell Elementary       | Morningside Elementary    | Northside Elementary |
| Langston Road Primary    | Quail Run Elementary      | David Perdue Primary |

## What supports are provided through Title I?

The Title I Program offers a variety of supports, which may include, but are not limited to, additional teachers, support staff, instructional materials and supplies, technology to support student learning, tutoring, professional development for school staff and capacity building events for families.

## What role does family engagement play in Title I?

Family engagement is an integral part of the ESSA law. Districts and schools receiving Title I funding must:

- Ensure that high-quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging State academic standards so that students, teachers, parents and administrators can measure progress against common expectations for student academic achievement.
- Afford parents substantial and meaningful opportunities to participate in the education of their children.

## **Families,**

You can have a tremendous influence on your child's success in school. By partnering with the school and participating in the Title I program, you will:

- show your child that you support and value his/her education.
- be able to closely monitor your student's progress.
- build stronger relationships between home and school.
- provide valuable input about schoolwide programs.

Research shows that students whose families are engaged perform better academically, socially and behaviorally. Be sure to become involved in your child's school by:

- communicating regularly with your child's teacher.
- attending academic-based family events and parent-teacher conferences.
- volunteering at the school.
- joining the Parent Action Team or School Council.
- providing input concerning the Title I program at the school.

### **What is Title I?**

**Thomson Middle School** is identified as a Title I school as a part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement plan and compact.

## **THE CONNECTION**

### **What is it?**

**The Connection** is a comprehensive document joining our School-Family Engagement Plan and Compact together with the purpose of strengthening the bond between school and home. The Engagement Plan describes how our school will provide opportunities to improve family engagement that will support student learning at school and at home. All students and their families are invited and encouraged to fully participate in the opportunities described in this plan. The school will provide information and as many opportunities as possible for the participation of all family members. The Compact explains what teachers, parents and students each will do in effort to work together to make sure that our students reach grade level standards. The Compact is discussed with families during parent-teacher conferences throughout the school year.

### **How is it revised?**

The Connection is jointly developed and revised by our school's stakeholders. All families are invited to attend our annual Shared Decision Making Meeting (SDM) held each spring. Families are asked to review and give feedback on the Engagement Plan, Compact, and budget including the 1% set aside. All feedback forms from the SDM Meetings are collected, reviewed and used to revise this document and to improve program planning for the next school year. Families who are not able to attend the SDM Meeting have the opportunity to provide input by completing an online feedback form and completing the Title I Parent Satisfaction Survey that seeks suggestions regarding the plan, compact and budget as well.

### **Who is it for?**

The Connection is for all students attending a Title I school and their families. We encourage and invite families to fully participate in the opportunities described in this document. Our school will provide full opportunity for the participation of parents and family members with limited English, with disabilities, of migratory children and caretakers of students served in Neglected and Delinquent Centers.

### **Where is it available?**

The Connection is included in our Title I Guidebook that is provided to all parents and families at the beginning of the year or whenever a new student enrolls. The Connection is also available on our school website and in our Parent Resource Center. Families can request a copy be sent to them at any time during the school year.

# **PBIS**

## **What is PBIS?**

- The Positive Behavior Interventions and Support program is based upon the idea of recognizing positive contributions of students and supporting our students with interventions when they need extra assistance. Our goal is to help each child develop self-discipline. Home and school share the responsibility for developing good citizens. Parents, teachers, and students must work together to maintain a safe learning and positive learning environment. As part of PBIS, teachers, administrators, counselors and support staff will have responsibility to TEACH positive behavior expectations to students. PBIS means students will know exactly what is expected of them. Students who take responsibility will be recognized and rewarded in a variety of ways.
- **Thomson Middle's School-Wide Expectations for students are:**
  - To Practice The Tiger Way. We call this #PRAEGP.
- Students are expected to build Powerful Relationships, have a positive Attitude/give their best Effort, and remember, Greatness is a Process.
- **Thomson Middle School's PBIS Mission**
  - The mission of the Thomson PBIS team is to foster and promote a safe and positive school environment that enhances student learning through teaching and recognizing positive behavior.
