2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

CSBA POLICY GUIDE SHEET

March 2022

Note: Descriptions below identify revisions made to CSBA's sample board policies, administrative regulations, board bylaws, and/or exhibits. Editorial changes have also been made. Districts and county offices of education should review the sample materials and modify their own policies accordingly.

Board Policy 4030 - Nondiscrimination in Employment

Policy updated to reflect **NEW LAW (SB 331, 2021)** which makes unlawful a district's use of a nondisparagement agreement or other document that would deny an employee the right to disclose information about unlawful acts in the workplace, in exchange for a raise or bonus, with respect to any complaint or claim that involves workplace harassment or discrimination, not just those relating to sexual harassment or sexual assault. Policy also updated to reflect **NEW LAW (SB 807, 2021)** that makes it an unlawful employment practice for an employer to fail to maintain certain records in accordance with law, particularly when a workplace discrimination or harassment complaint has been filed with the California Department of Fair Employment and Housing.

Exhibit(1) 4112.9/4212.9/4312.9 - Employee Notifications

Exhibit updated to add employee notifications related to (1) receipt of written notification that minor student has committed a felony or misdemeanor involving specified offenses; (2) duties of the district liaison for homeless students; (3) termination of services of certificated permanent or probationary employee when, during the time between five days after the enactment of an annual Budget Act and August 15 of the fiscal year to which the Budget Act applies, the Board determines that the district's local control funding formula apportionment per unit of ADA for that fiscal year has not increased by at least two percent; (4) receipt of transfer student record regarding acts that resulted in suspension or expulsion; and (5) disclosure of document identifying an employee who is a victim of domestic violence. Exhibit also updated to reflect **NEW LAW (AB 438, 2021)** regarding classified employees who are laid off due to lack of work or lack of funds, and classified employees whose positions must be eliminated due to expiration of a specially funded program.

Board Policy 4141.6/4241.6 - Concerted Action/Work Stoppage

Policy updated to reflect **NEW LAW (AB 237, 2021)** which prohibits public employers from discontinuing employer contributions for health care or other medical coverage for employees who are participating in an authorized strike, as defined in law.

Administrative Regulation 4141.6/4241.6 - Concerted Action/Work Stoppage

Regulation updated to provide implementation language for **NEW LAW (AB 237, 2021)** which prohibits public employers from discontinuing employer contributions for health care or other medical coverage for employees who are participating in an authorized strike, as defined in law. Updated Regulation includes other consistent changes.

Board Policy 5111 - Admission

Policy updated to reflect the distinction between compulsory education for students starting at age six and the requirement for districts to offer and admit students who are eligible for transitional kindergarten, delete the requirement for district enrollment applications to include information about health care options as the law requiring such information has self-repealed, and clarify that a student's residence is a location within the district that may be verified as part of school admission requirements.

Administrative Regulation 5111 - Admission

Regulation updated for consistency with **NEW LAW (AB 130, 2021)** which revises the timespans for transitional kindergarten (TK) admittance requirements to be phased in from the 2022-23 school year to the 2025-26 school year, as reflected in BP 6170.1 - Transitional Kindergarten.

Administrative Regulation 5113 - Absences and Excuses

Regulation updated to reflect **NEW LAW (SB 14, 2021)** which includes an absence for the benefit of a student's mental or behavioral health within an absence due to a student's illness, and **NEW LAW (AB 516, 2021)** which includes an absence for a student's participation in a cultural ceremony or event as an excused absence. Regulation also updated for clarification and alignment with law.

Administrative Regulation 5142 - Safety

Regulation updated to reflect **NEW LAW (SB 722, 2021)** which requires any district hosting or sponsoring an on-campus event that is not part of an interscholastic athletic program in or around a swimming pool to have at least one adult with a Cardiopulmonary Resuscitation training certification present throughout the event. Updated Regulation includes minor editorial changes.

Exhibit(1) 5145.6 - Parental Notifications

Exhibit updated to reflect **NEW LAW (AB 128, 2021)** which extends the suspension of certain mandated activities through the 2021-22 fiscal year. Exhibit also updated to add parental notifications related to (1) completion and submission of the Federal Application for Federal Student Aid and California Dream Act Application; (2) public hearing on alternative schedule in secondary grades; and (3) early entry to transitional kindergarten if early entry is offered. Additionally, exhibit updated to expand description regarding notifications related to (1) uniform complaint procedures; (2) student records; (3) college admission requirements; (4) transfer opportunities for foster youth, homeless youth, former juvenile court school students and children of military families through the California Community Colleges; (5) parent/guardian rights when child participates in licensed child care and development program; (6) change in service to child care or preschool services; and (7) homeless student or unaccompanied youth notices. Exhibit also updated to include additional classroom/facility notices regarding uniform complaint procedures and parental rights related to licensed child care and development centers.

Board Policy 6173 - Education for Homeless Children

Policy updated to reflect **NEW LAW (AB 27, 2021)** which requires districts to ensure that each school within the district identifies all homeless children and unaccompanied youths and to create a web page or post on the district website a list of district liaisons for homeless students, contact information for such liaisons, and specific information on homelessness, including information regarding the educational rights and resources available to persons experiencing homelessness. Policy also updated to reflect **AB 27** requirement for districts that receive American Rescue Plan Elementary and Secondary School Emergency Relief - Homeless Children and Youth funds to administer a housing questionnaire developed by the California Department of Education (CDE) to parents/guardians of all students and all unaccompanied youths and report to CDE the number of homeless children and unaccompanied youths enrolled in the district. In addition, policy updated to reflect **NEW LAW (SB 400, 2021)** which requires CDE to develop and implement a system to verify that districts are providing required training to district liaisons and other appropriate staff at least annually. Policy also updated for clarity and closer alignment with law.

Administrative Regulation 6173 - Education for Homeless Children

Regulation updated to add email address to the district liaison's contact information since the California Department of Education (CDE) collects email addresses as part of the consolidated application process. Regulation also updated to reflect (1) **NEW LAW (SB 400, 2021)** which requires CDE to provide training materials to district liaisons for the purpose of providing required professional development and support to school personnel who provide services to homeless students; (2) CDE's recommendation regarding how dispute resolution information may be provided to parents/guardians or unaccompanied youth when the student involved is an English learner, including in the native language of the individual or through an interpreter; and (3) **NEW LAW (AB 27, 2021)** which requires districts to create a web page or post on the district website a list of district liaisons, contact information for such liaisons, and specific information on homelessness, including, but not limited to, information regarding the educational rights and resources available to persons experiencing homelessness.

Exhibit(1) 6173 - Education for Homeless Children

Exhibit also updated for clarity and gender neutrality.

Exhibit(2) 6173 - Education for Homeless Children

Exhibit updated to change the term "verbal" to "oral" to stay consistent with language in the administrative regulation and the California Department of Education's (CDE) "Homeless Education Dispute Resolution Process" letter to districts, add the district liaison for homeless students email address to the district liaison's contact information as email is such a widely used means of communication and CDE collects email addresses as part of the consolidated application process, and add that a copy of the dispute form be provided to the parent/guardian or student disputing enrollment as this is recommended in CDE's "Homeless Education Dispute Resolution Process" letter to districts and is stated in the administrative regulation.

Board Bylaw 9322 - Agenda/Meeting Materials

Bylaw updated to reflect **NEW LAW (SB 274, 2021)** which requires districts with a website to email a copy of, or a website link to, the agenda or a copy of all the documents constituting the agenda packet, if a person requests such items be delivered by email, unless it is technologically infeasible to do so. Bylaw also updated to include a focus on student well-being in the philosophical statement, add a provision for each agenda to include a statement regarding the option for students and parents/guardians to request that directory information or personal information of the student or parent/guardian be excluded from the meeting minutes as required by law, and to make other clarifying changes.

Policy 4030: Nondiscrimination In Employment

Status: ADOPTED

Original Adopted Date: 05/01/2016 | **Last Revised Date:** 03/2022 | **Last Reviewed Date:** 03/2022

The Governing Board is determined to provide a safe, positive environment where all district employees are assured of full and equal employment access and opportunities, protection from harassment and intimidation, and freedom from any fear of reprisal or retribution for asserting their employment rights in accordance with law. For purposes of this policy, employees include job applicants, interns, volunteers, and persons who contracted with the district to provide services, as applicable.

No district employee shall be discriminated against or harassed by any coworker, supervisor, manager, or other person with whom the employee comes in contact in the course of employment, on the basis of the employee's actual or perceived race, color, ancestry, national origin, age, religious creed, marital status, pregnancy, physical or mental disability, medical condition, genetic information, veteran or military status, sex, sexual orientation, gender, gender identity, gender expression, or association with a person or group with one or more of these actual or perceived characteristics.

The district shall not inquire into any employee's immigration status nor discriminate against an employee on the basis of immigration status, unless there is clear and convincing evidence that the district is required to do so in order to comply with federal immigration law. (2 CCR 11028)

Discrimination in employment based on the characteristics listed above is prohibited in all areas of employment and in all employment-related practices, including the following:

1. Hiring, compensation, terms, conditions, and other privileges of employment
2. Taking of adverse employment actions such as termination or denial of employment, promotion, job assignment, or training
3. Unwelcome conduct, whether verbal, physical, or visual, that is so severe or pervasive as to adversely affect an employee's employment opportunities or that has the purpose or effect of unreasonably interfering with the employee's work performance or creating an intimidating, hostile, or offensive work environment
4. Actions and practices identified as unlawful or discriminatory pursuant to Government Code 12940 or 2 CCR 11006-11086, such as:
 - a. Sex discrimination based on an employee's pregnancy, childbirth, breastfeeding, or any related medical condition or on an employee's gender, gender expression, or gender identity, including transgender status
 - b. Religious creed discrimination based on an employee's religious belief or observance, including religious dress or grooming practices, or based on the district's failure or refusal to use reasonable means to accommodate an employee's religious belief, observance, or practice which conflicts with an employment requirement
 - c. Requiring medical or psychological examination of a job applicant or making an inquiry into whether a job applicant has a mental or physical disability or a medical condition or as to the severity of any such disability or condition, without the showing of a job-related need or business necessity

- d. Failure to make reasonable accommodation for the known physical or mental disability of an employee or to engage in a timely, good faith, interactive process with an employee who has requested such accommodations in order to determine the effective reasonable accommodations, if any, to be provided to the employee

The Board also prohibits retaliation against any district employee who opposes any discriminatory employment practice by the district or its employees, agents, or representatives or who complains, reports an incident, testifies, assists, or in any way participates in the district's complaint process pursuant to this policy. No employee who requests an accommodation for any protected characteristic listed in this policy shall be subjected to any punishment or sanction, regardless of whether the request was granted. (Government Code 12940; 2 CCR 11028)

No employee shall, in exchange for a raise or bonus or as a condition of employment or continued employment, be required to sign a release of the employee's claim or right to file a claim against the district or a nondisparagement agreement or other document that has the purpose or effect of preventing the employee from disclosing information about harassment, discrimination, or other unlawful acts in the workplace, including any conduct that the employee has reasonable cause to believe is unlawful. (Government Code 12964.5)

Complaints concerning employment discrimination, harassment, or retaliation shall immediately be investigated in accordance with procedures specified in the accompanying administrative regulation. Any supervisory or management employee who observes or has knowledge of an incident of prohibited discrimination or harassment, including harassment of an employee by a nonemployee, shall report the incident to the Superintendent or designated district coordinator as soon as practical after the incident. All other employees are encouraged to report such incidents to their supervisor immediately.

The Superintendent or designee shall use all appropriate means to reinforce the district's nondiscrimination policy, including providing training and information to employees about how to recognize harassment, discrimination, or other prohibited conduct, how to respond appropriately, and components of the district's policies and regulations regarding discrimination. The Superintendent or designee shall regularly review the district's employment practices and, as necessary, shall take action to ensure district compliance with the nondiscrimination laws.

Any district employee who engages in prohibited discrimination, harassment, or retaliation or who aids, abets, incites, compels, or coerces another to engage or attempt to engage in such behavior in violation of this policy shall be subject to disciplinary action, up to and including dismissal.

The district shall maintain and preserve all applications, personnel, membership, or employment referral records and files for at least four years after the records are initially created or received or, for an applicant or a terminated employee, for four years after the date the employment action was taken. However, when the district is notified that a complaint has been filed with the California Department of Fair Employment and Housing, records related to the employee involved shall be maintained and preserved until the later of the first date after the time for filing a civil action has expired or the first date after the complaint has been fully and finally disposed of and all administrative proceedings, civil actions, appeals, or related proceedings have been terminated. (Government Code 12946)

Status: ADOPTED

Original Adopted Date: 12/01/1989 | **Last Revised Date:** 03/2022 | **Last Reviewed Date:** 03/2022

The Governing Board recognizes the importance of maintaining ongoing positive relations with employees and engaging in fair, respectful negotiations with employee organizations. The Board desires to reach agreement on employment contracts in a manner that prevents disruption to school operations and minimizes impact on student achievement.

The Board recognizes that advance planning is necessary to ensure that, in the event of a work stoppage, strike, or other concerted employee activity, students continue to receive educational services to which they are entitled. The Superintendent or designee shall develop a written plan which shall include strategies for the provision of internal and external communications, preservation of student and staff safety, maintenance of district operations, and appropriate student instruction and supervision during a work slowdown or stoppage.

If an employee organization gives notice that it intends to strike, the Superintendent or designee shall notify the Public Employment Relations Board, Employment Development Department, employees in the striking unit, other district employees, parents/guardians, students, law enforcement, the media, and others as appropriate.

Employees should be held accountable for their behavior during any labor dispute. The district may take disciplinary action against any employee who engages in an unlawful concerted action or in unlawful behavior in an otherwise protected activity, taking into account the seriousness of the behavior and the district's efforts to rebuild relations following the withholding of services by employees.

Maintenance of District Operations

During any work stoppage, strike, or other concerted employee activity, the Superintendent or designee shall take measures to minimize disruption to district operations and student learning. At the discretion of the Superintendent or designee, employees reporting for duty may be temporarily assigned to other duties. In addition, the Superintendent or designee may hire qualified substitute and/or temporary employees as needed to maintain district operations and shall recommend to the Governing Board an appropriate rate of pay for such employees for the period of the work stoppage.

Strike Plan

The Superintendent or designee may establish a committee to develop a plan in the event of a work stoppage. This committee may include district-level staff, legal counsel, the district's negotiator and parents/guardians.

The strike plan shall address, at a minimum, the following elements:

1. Roles and responsibilities during a work stoppage, including roles of the Board, Superintendent, district-level staff, legal counsel, principals, certificated or classified staff when they are not participating in the strike, substitutes and other employees
2. Criteria for keeping schools open during a work stoppage, including potential costs, availability of qualified substitutes or other staffing, and the ability to maintain essential services and to ensure the safety of students and staff
3. Maintenance of the educational program, including availability of lesson plans and instructional materials, alternatives for handling special education and other programs as appropriate
4. Internal communications among district staff and the Board during a work stoppage

8. Equipment and supply needs
9. Desirability and feasibility of conducting extracurricular activities during a work stoppage including an analysis of the number of events and activities that would be affected, the availability of staffing, the degree of student and/or community participation and the ability to provide adequate security at events
10. Contingency plans for transportation

11. Contingency plans for the provision of food services
12. Identification of outside resources who may be called upon to help with school operations
13. Coordination with law enforcement and other agencies

15. Provisions for safe, effective board meetings
16. Cost estimates for the various strategies to be implemented during a work stoppage
17. Legal remedies available to enjoin the work stoppage if possible or to file unfair labor practice charges against the employee organization
18. Continuation of negotiations during a work stoppage
19. Plans for resuming normal district operations, rebuilding relations and disciplining employees if necessary after the work stoppage

Activities of Employees

The district shall not impose or threaten to impose reprisals, discriminate or threaten to discriminate, or otherwise interfere with, restrain or coerce employees for the exercise of their rights. (Government Code 3543.5-3543.6)

Employees engaging in a work stoppage shall not prevent access to school facilities by other employees, substitutes or students; use or threaten physical violence or bodily injury; trespass; distribute malicious or defamatory leaflets or materials; or otherwise coerce or intimidate individuals in the conduct of school business.

During an actual or threatened work stoppage, an employee shall not retain any district property, including but not limited to student attendance and grading records, lesson plans, keys, equipment and supplies.

Employees shall not use students to distribute messages that promote or explain the position of any employee organization that is contemplating or engaged in a work stoppage. In addition, employees shall not use classroom or other duty time to promote an employee organization's position in negotiations or in a work stoppage.

When students raise questions related to a work stoppage, teachers shall approach the subject in accordance with the district's policy on controversial issues and shall not allow such discussions to interfere with their regular teaching responsibilities.

Salary and Benefits

Employees withholding services shall not receive salary or unemployment benefits during the period of the work stoppage.

Any employee withholding services may be subject to the loss of payroll deduction privileges.

Throughout the duration of any enrolled employee's participation in an authorized strike, the district shall not fail or refuse to maintain and pay for the employee's continued health care or other medical coverage or the coverage of their enrolled dependents, nor shall the district fail to collect and remit the employee's contributions to any such coverage. The district shall maintain the coverage at the same level and under the same conditions that the coverage would have been provided if the employee had continued to work in the employee's position for the duration of the strike. Health care or other medical coverage for this purpose includes coverage for medical, dental, vision, behavioral health, disability, accidental death and dismemberment, life, and supplemental health insurance benefits. (Government Code 3141-3142)

"Authorized strike" means a strike sanctioned by the central labor council or the membership of an employee organization that represents the striking employees, or one that is engaged in by unrepresented employees. (Government Code 3141)

Employees whose vacation leave has been authorized prior to the work stoppage shall receive vacation pay for the authorized period.

If an employee is on a paid sick or disability leave when the work stoppage begins, the employee shall be entitled to continued payment as long as the employee remains ill or disabled and is otherwise eligible according to Board policy and collective bargaining agreements.

The Superintendent or designee may determine that credit shall not be applied toward probationary service, salary schedule advancement, permanent status, vacation earnings, retirement credit or sick leave accrual during the period of time that employees withhold services.

The Governing Board encourages the enrollment and appropriate placement of all children who are eligible for enrollment in school. The Superintendent or designee shall inform parents/guardians of children seeking admission to a district school about admission requirements and shall assist them with enrollment procedures.

The Superintendent or designee shall announce and publicize the timeline and process for registration of students at district schools. Applications for intradistrict or interdistrict enrollment shall be subject to the timelines specified in applicable Board policies and administrative regulations.

All appropriate staff shall receive training on district admission policies and procedures, including information regarding the types of documentation that can and cannot be requested.

Verification of Admission Eligibility

Before enrolling any child in a district school, the Superintendent or designee shall verify the child's age, residence within the district, immunization, and other applicable eligibility criteria specified in law, the accompanying administrative regulation, or other applicable Board policy or administrative regulation. The district shall not inquire into or request documentation of a student's social security number or the last four digits of the social security number or the citizenship or immigration status of the student or the student's family members. (Education Code 234.7, 49076.7)

However, such information may be collected when required by state or federal law or to comply with requirements for special state or federal programs. In any such situation, the information shall be collected separately from the school enrollment process and the Superintendent or designee shall explain the limited purpose for which the information is collected. Enrollment in a district school shall not be denied on the basis of any such information of the student or the student's parents/guardians obtained by the district, or the student's or parent/guardian's refusal to provide such information to the district.

School registration information shall list all possible means of documenting a child's age for entry into grades K-1 as authorized by Education Code 48002 or otherwise prescribed by the Board. Any

alternative document allowed by the district shall be one that all persons can obtain regardless of immigration status, citizenship status, or national origin and shall not reveal information related to citizenship or immigrant status.

The Superintendent or designee shall immediately enroll a homeless student, foster youth, student who has had contact with the juvenile justice system, or a child of a military family regardless of outstanding fees or fines owed to the student's last school, lack of clothing normally required by the school, such as school uniforms, or an inability to produce previous academic, medical, or other records normally required for enrollment. (Education Code 48645.5, 48850, 48852.7, 48853.5, 49701; 42 USC 11432)

3. An authorized law enforcement officer acting in accordance with law
4. An adult taking the student to emergency medical care at the request of the principal or designee

Supervision of Students

Teachers shall be present at their respective rooms and shall open them to admit students not less than 30 minutes before the time that school starts. (5 CCR 5570)

Every teacher shall hold students to a strict account for their conduct on the way to and from school, on the playgrounds, and during recess. (Education Code 44807)

The principal or designee shall require all individuals supervising students to remain alert for unauthorized persons and dangerous conditions, and promptly report any unusual incidents to the principal or designee and file a written report as appropriate.

In arranging for appropriate supervision on playgrounds, the principal or designee shall:

1. Clearly identify supervision zones and require all playground supervisors to remain at a location from which they can observe their entire zone of supervision and be observed by students in the supervision zone
2. Consider the size of the playground area, the number of areas that are obstructed from open view, and the age of the students to determine the ratio of playground supervisors to students

At any school where playground supervision is not otherwise provided, the principal or designee shall provide for certificated employees to supervise the conduct and safety, and direct the play, of students who are on school grounds before and after school and during recess and other intermissions. (5 CCR 5552)

The Superintendent or designee shall ensure that teachers, teacher aides, playground supervisors, yard aides, and volunteers who supervise students receive training in safety practices and in supervisory

techniques that will help prevent problems and resolve conflicts among students. Such training shall be documented and kept on file.

Student Safety Patrols

A school safety patrol shall be composed of students of the school selected by the principal or designee and shall serve only with written consent of the students and their parents/guardians. Status:
ADOPTED

Original Adopted Date: 07/01/2020 | **Last Revised Date:** 03/01/2022

Cautionary Notice: Government Code 17581.5 releases districts from the obligation to perform specified mandated activities when the Budget Act does not provide reimbursement during that fiscal year. The Budget Act of 2021 (AB 128, Ch. 21, Statutes of 2021) extends the suspension of these requirements through the 2021-22 fiscal year. As a result, certain provisions of the following Exhibit related to scoliosis screening and bus safety instruction may be suspended.

Note: The following exhibit lists notices which the law explicitly requires be provided to parents/guardians. See the referenced Board policy, administrative regulation, or Board bylaw for further information about related program and notice requirements. For example, see AR 1312.3 - Uniform Complaint Procedures for the contents of the annual notice regarding uniform complaint procedures as mandated by 5 CCR 4622.

The exhibit does not include other notices that are recommended throughout CSBA's sample policy manual but are not required by law. The district may revise the exhibit to reflect additional notifications provided by the district.

CSBA POLICY MANUAL UPDATE
March 2022

Policy 6173: Education For Homeless Children

Status: ADOPTED

Original Adopted Date: 07/01/2005 | **Last Revised Date:** 03/2022 | **Last Reviewed Date:** 03/2022

The Governing Board believes that the identification of homeless students is critical to improving the educational outcomes of such students and ensuring that homeless students have access to the same free and appropriate public education provided to other students within the district. The district shall provide homeless students with access to education and other services necessary for such students to meet the same challenging academic standards as other students.

When there are at least 15 homeless students in the district or a district school, the district's local control and accountability plan (LCAP) shall include goals and specific actions to improve student achievement and other outcomes of homeless students. (Education Code 52052, 52060, 52064)

The Superintendent or designee shall regularly review and recommend updates to district policies to ensure removal of any barriers to the education of homeless students and unaccompanied youth. Any such review shall address identification, enrollment, and retention of such students, including those barriers that are due to absences or outstanding fees or fines. (42 USC 11432)

The Superintendent or designee shall designate an appropriate staff person to serve as a liaison for homeless children and youths. The district liaison for homeless students shall fulfill the duties specified in 42 USC 11432 to assist in identifying and supporting homeless students to succeed in school.

The Superintendent or designee shall ensure that each district school identifies all homeless children and youths and unaccompanied youths enrolled at the school. (Education Code 48851)

To ensure easy identification of homeless students, the Superintendent or designee shall annually administer a housing questionnaire developed by the California Department of Education (CDE) to all parents/guardians of students and all unaccompanied youths. (Education Code 48851)

If the primary language of a student's parent/guardian or an unaccompanied youth is not English, either the housing questionnaire shall be made available in the primary language of the student's parent/guardian or the unaccompanied youth pursuant to Education Code 48985, or an appropriate translation of the housing questionnaire shall be provided upon request of a student's parent/guardian or an unaccompanied youth. (Education Code 48851)

In addition, the Superintendent or designee shall ensure that the district liaison's contact information and other information on homelessness, including, but not limited to, information regarding the educational rights and resources available to persons experiencing homelessness, are posted on the district and school web sites as specified in the accompanying administrative regulation. (Education Code 48852.6)

The Superintendent or designee shall ensure that placement decisions for homeless students are based on the student's best interest as defined in law and administrative regulation.

Each homeless student shall be provided services that are comparable to services offered to other students in the school, including, but not limited to, transportation, educational programs for which the student meets the eligibility criteria (such as federal Title I services or similar state or local programs, programs for students with disabilities, and educational programs for English learners), career and technical education programs, programs for gifted and talented students, and school nutrition programs. (42 USC 11432)

Homeless students shall not be segregated into a separate school or program based on their status as homeless and shall not be stigmatized in any way. However, the Superintendent or designee may separate homeless students on school grounds as necessary for short periods of time for health and safety emergencies or to provide temporary, special, and supplementary services to meet the unique needs of homeless students. (42 USC 11432, 11433)

The Superintendent or designee shall ensure that information and/or materials for homeless students are provided in a manner and form understandable to the parents/guardians of homeless students and to unaccompanied youths.

Information about a homeless student's living situation shall be considered part of a student's educational record, subject to the Family Educational Rights and Privacy Act, shall not be deemed to be directory information as defined in 20 USC 1232g, and shall not be released without written consent. (42 USC 11432)

The Superintendent or designee shall coordinate with other agencies and entities to ensure that homeless children and youth are promptly identified, ensure that homeless students have access to and are in reasonable proximity to available education and related support services, and raise the awareness of school personnel and service providers of the effects of short-term stays in a shelter and other challenges associated with homelessness. Toward these ends, the Superintendent or designee shall collaborate with local social services agencies, other agencies or entities providing services to homeless children and youth, and, if applicable, transitional housing facilities. In addition, the Superintendent or designee shall coordinate transportation, transfer of school records, and other interdistrict activities with other local educational agencies. As necessary, the Superintendent or designee shall coordinate, within the district and with other involved local educational agencies, services for homeless students and services for students with disabilities. (42 USC 11432)

At least annually, the district liaison and other appropriate staff shall participate in professional development and other technical assistance activities to assist them in identifying and meeting the needs of homeless students. Such professional development and technical assistance shall include, but are not limited to, training on the definitions of terms related to homelessness, the signs of homelessness, the steps that should be taken once a potentially homeless student is identified, and how to connect homeless students with appropriate housing and service providers. (Education Code 48852.5; 42 USC 11432)

The Superintendent or designee shall report to CDE the number of homeless children and youths and unaccompanied youths enrolled in the district as identified from the housing questionnaire described above. (Education Code 48851)

At least annually, the Superintendent or designee shall report to the Board on the identification of and outcomes for homeless students, which may include, but are not limited to, the housing questionnaire responses, school attendance, student achievement test results, promotion and retention rates by grade level, graduation rates, suspension/expulsion rates, and other outcomes related to any goals and specific actions identified in the LCAP. Based on the evaluation data, the district shall revise its strategies as needed to more effectively identify and support the education of homeless students.

Regulation 6173: Education For Homeless Children

Status: ADOPTED

Original Adopted Date: 12/01/2014 | **Last Revised Date:** 03/2022 | **Last Reviewed Date:** 03/2022

Definitions

Homeless students means students who lack a fixed, regular, and adequate nighttime residence and includes: (Education Code 48859; 42 USC 11434a)

1. Students who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals
2. Students who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings
3. Students who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings
4. Migratory children who qualify as homeless because they are living in conditions described in items #1-3 above

Unaccompanied youth includes a homeless child or youth not in the physical custody of a parent or guardian. (Education Code 48859; 42 USC 11434a)

School of origin means the school that the homeless student attended when permanently housed or the school in which the student was last enrolled, including a preschool. If the school the homeless student attended when permanently housed is different from the school in which the student was last enrolled, or if there is some other school that the student attended within the preceding 15 months and with which the student is connected, the district liaison for homeless students shall determine, in consultation with and with the agreement of the homeless student and the person holding the right to make educational decisions for the student, and in the best interests of the homeless student, which school shall be deemed the school of origin. (Education Code 48852.7; 42 USC 11432)

Best interest means that, in making educational and school placement decisions for a homeless student, consideration is given to, among other factors, educational stability, the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress, and the student's access to academic resources, services, and extracurricular and enrichment activities that are available to all district students. (Education Code 48850, 48853; 42 USC 11432)

District Liaison

The Superintendent designates the following staff person as the district liaison for homeless students: (42 USC 11432)

(title or position)

(address)

(email address)

(phone number)

The district's liaison for homeless students shall: (Education Code 48851.5, 48852.5; 42 USC 11432)

1. Ensure that homeless students are identified by school personnel through outreach and coordination activities with other entities and agencies
2. Ensure that homeless students are enrolled in, and have a full and equal opportunity to succeed in, district schools
3. Ensure that homeless families and children and youth have access to and receive educational services for which they are eligible, including services through Head Start and Early Head Start programs, early intervention services under Part C of the federal Individuals with Disabilities Education Act, and other preschool programs administered by the district
4. Ensure that homeless families and students receive referrals to health care services, dental services, mental health and substance abuse services, housing services, and other appropriate services
5. Inform parents/guardians of the educational and related opportunities available to their children and ensure that they are provided with meaningful opportunities to participate in the education of their children
6. Disseminate public notice of the educational rights of homeless students in locations frequented by parents/guardians of homeless children and youth and by unaccompanied youth, including schools, shelters, public libraries, and hunger relief agencies (soup kitchens). The rights shall be presented in a manner and form understandable to the parents/guardians of homeless students and unaccompanied youth.
7. Mediate enrollment disputes in accordance with law and the section "Resolving Enrollment Disputes" below
8. Fully inform parents/guardians of homeless students and unaccompanied youth of all transportation services, including transportation to the school of origin, and assist them in accessing transportation to the school of choice
9. Ensure that school personnel providing services to homeless students, including principals and other school leaders, attendance supervisors, teachers, enrollment personnel, and specialized instructional support personnel, receive professional development and other support
10. Ensure that unaccompanied youth are enrolled in school, have opportunities to meet the same challenging state academic standards established for other students, and are informed of their status as independent students under 20 USC 1087vv and that they may receive assistance from the district liaison to receive verification of their independent student status for purposes of applying for federal student aid pursuant to 20 USC 1090
11. Coordinate and collaborate with state coordinators and community and school personnel responsible for the provision of education and related services to homeless students, including the collection and provision of comprehensive data to the state coordinator as required by law

In addition, when notified pursuant to Education Code 48918.1, the district liaison shall assist, facilitate, or represent a homeless student who is undergoing a disciplinary proceeding that could result in the student's expulsion. When notified pursuant to Education Code 48915.5, the district liaison shall participate in an individualized education program (IEP) team meeting to make a manifestation determination regarding the behavior of a student with a disability.

The Superintendent or designee shall inform homeless children and youth, their parents/guardians, school personnel, service providers, and advocates working with homeless families of the duties of the district's liaison. The Superintendent or designee shall also provide the name and contact information of the district's liaison to the California Department of Education (CDE) for publishing on CDE's web site. (42 USC 11432)

Enrollment

The district shall make placement decisions for homeless students based on the student's best interest. (42 USC 11432)

In determining the best interest of the student, the district shall consider student-centered factors related to the student's best interest, including factors related to the impact of mobility on achievement, education, health, and safety, giving priority to the request of the student's parent/guardian or, in the case of an unaccompanied youth, the youth. (42 USC 11432)

Such factors may include, but are not limited to, the age of the student, the distance of the commute and the impact it may have on the student's education, personal safety issues, the student's need for special instruction, the length of anticipated stay in the temporary shelter or other temporary location, likely area of future housing, school placement of siblings, and the time remaining in the school year.

However, placement decisions shall not be based on whether a homeless student lives with the student's homeless parent/guardian or has been temporarily placed elsewhere. (42 USC 11432)

In the case of an unaccompanied youth, the district liaison shall assist in placement or enrollment decisions, give priority to the views of the student, and provide notice to the student of the right to appeal. (42 USC 11432)

In determining a student's best interest, a homeless student shall, to the extent feasible, be placed in the school of origin, unless the student's parent/guardian or the unaccompanied youth requests otherwise. (Education Code 48852.7; 42 USC 11432)

Once a placement decision has been made, the principal or designee shall immediately enroll the student in the school of choice. The student shall be enrolled even if the student: (Education Code 48850, 48852.7; 42 USC 11432)

1. Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended
2. Does not have clothing normally required by the school, such as school uniforms
3. Is unable to produce records normally required for enrollment, such as previous academic records, proof of residency, and records of immunization and other required health records
4. Has missed application or enrollment deadlines during any period of homelessness

The principal or designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other required health records, the principal or designee shall immediately refer the parent/guardian to the district liaison for homeless students. The district liaison shall assist the parent/guardian, or the student if the student is an unaccompanied youth, in obtaining the necessary immunizations, screenings, or records for the student. (42 USC 11432)

If the student is placed at a school other than the school of origin or the school requested by the student's parent/guardian or the student, if an unaccompanied youth, the Superintendent or designee shall provide the parent/guardian or the unaccompanied youth with a written explanation of the reasons for the decision, including why placement in the student's school of origin or requested school is not in the student's best interest, along with a statement regarding the right to appeal the placement decision. The written explanation shall be in a manner and form understandable to such parent/guardian or unaccompanied youth. (42 USC 11432)

At the point of any change or subsequent change in the residence of a homeless student, the student may continue attending the student's school of origin for the duration of the homelessness. (Education Code 48852.7; 42 USC 11432)

To ensure that the homeless student has the benefit of matriculating with the student's peers in accordance with the established feeder patterns, the following shall apply: (Education Code 48852.7; 42 USC 11432)

1. If the student is transitioning between grade levels, the student shall be allowed to continue in the same attendance area.
2. If the student is transitioning to a middle school or high school, and the school designated for matriculation is in another school district, the student shall be allowed to continue to the school designated for matriculation in that district.

If the student's status changes before the end of the school year so that the student is no longer homeless, the student shall be allowed to stay in the school of origin: (Education Code 48852.7)

1. Through the duration of the school year if the student is in grades K-8
2. Through graduation if the student is in high school

Resolving Enrollment Disputes

If a dispute arises over student eligibility, school selection, or enrollment in a particular school, the matter shall be referred to the district liaison, who shall carry out the dispute resolution process as expeditiously as possible. (42 USC 11432)

The parent/guardian or unaccompanied youth shall be provided with a written explanation of any decisions related to eligibility, school selection, or enrollment and of the right of the parent/guardian or unaccompanied youth to appeal such decisions. (42 USC 11432)

The written explanation shall include:

1. A description of the action proposed or refused by the district
2. An explanation of why the action is proposed or refused
3. A description of any other options the district considered and the reasons that any other options were rejected

4. A description of any other factors relevant to the district's decision and information related to the eligibility or best interest determination including the facts, witnesses, and evidence relied upon and their sources
5. Appropriate timelines to ensure any relevant deadlines are not missed
6. Contact information for the district liaison and state coordinator, and a brief description of those roles

The written explanation shall be complete, as brief as possible, simply stated, and provided in language that the parent/guardian or student can understand.

The district liaison may use an informal process as an alternative to formal dispute resolution procedures, provided that the parents/guardians or unaccompanied youth have access to the more formal process if informal resolution is not successful in resolving the matter.

In working with a student's parents/guardians or unaccompanied youth to resolve an enrollment dispute, the district liaison shall:

1. Inform them that they may provide written and/or oral documentation to support their position
2. Inform them that they may seek the assistance of social services, advocates, and/or service providers in having the dispute resolved
3. Provide them a simple form that they may use and turn in to the school to initiate the dispute resolution process
4. Provide them a copy of the dispute form they submit for their records
5. Provide them the outcome of the dispute for their records

When a student's parent/guardian or an unaccompanied youth involved in the enrollment dispute is an English learner, Items #1-5 shall be provided either in the native language of the parent/guardian or unaccompanied youth or through an interpreter, and any additional support needed because of a disability of that parent/guardian or unaccompanied youth shall be made available without a charge.

If a parent/guardian or unaccompanied youth disagrees with the district liaison's enrollment decision, the decision may be appealed to the Superintendent. The Superintendent shall make a determination within five working days.

If the parent/guardian chooses to appeal the district's placement decision, the district liaison shall forward all written documentation and related paperwork to the liaison for homeless students at the county office of education.

Pending final resolution of the dispute, including all available appeals, the student shall be immediately enrolled in the school in which enrollment is sought and shall be allowed to attend classes and participate fully in school activities. (42 USC 11432, 11434a)

Transportation

The district shall provide transportation for a homeless student to and from the student's school of origin when the student is residing within the district and the parent/guardian, or the district liaison in the case of an unaccompanied youth, requests that such transportation be provided. If the student moves outside of district boundaries, but continues to attend the student's school of origin within this district, the

Superintendent or designee shall consult with the superintendent of the district in which the student is now residing to agree upon a method to apportion the responsibility and costs of the transportation. (42 USC 11432)

The district shall not be obligated to provide transportation to students who continue attending their school of origin after they cease to be homeless, unless the formerly homeless student has an IEP that includes transportation as a necessary related service for the student. (Education Code 48852.7)

Transfer of Coursework and Credits

When a homeless student transfers into a district school, the district shall accept and issue full credit for any coursework that the student has satisfactorily completed while attending another public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school and shall not require the student to retake the course. (Education Code 51225.2)

If the homeless student did not complete the entire course, the student shall be issued partial credit for the coursework completed and shall be required to take the portion of the course that the student did not complete at the previous school. However, the district may require the student to retake the portion of the course completed if, in consultation with the holder of educational rights for the student, the district finds that the student is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a homeless student in any particular course, the student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. (Education Code 51225.2)

Partial credits shall be awarded on the basis of 0.5 credits for every seven class periods attended per subject. If the school is on a block schedule, each block schedule class period attended shall be equal to two regular class periods per subject. Partial credits and grades earned by a student shall be included on the student's official transcript within two business days of the district's notification of the student's transfer, as required under Education Code 49069.5.

In no event shall the district prevent a homeless student from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California. (Education Code 51225.2)

Applicability of Graduation Requirements

To obtain a high school diploma, a homeless student shall complete all courses required by Education Code 51225.3 and fulfill any additional graduation requirements established by the Governing Board.

However, when a homeless student who has completed the second year of high school transfers into the district from another school district or transfers between high schools within the district, the student shall be exempted from all district-adopted coursework and other district-established graduation requirements, unless the district makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of the fourth year of high school. Within 30 calendar days of the homeless student's transfer, the Superintendent or designee shall notify the student, the person holding the right to make educational decisions for the student, and the district liaison for homeless students of the availability of the exemption and whether the student qualifies for it. If the Superintendent or designee fails to provide this notification, the student shall be eligible for the exemption once notified, even if the notification occurs after the student is no longer homeless. (Education Code 51225.1)

To determine whether a homeless student is in the third or fourth year of high school, the district shall use

either the number of credits the student has earned as of the date of the transfer or the length of the student's school enrollment, whichever qualifies the student for the exemption. (Education Code 51225.1)

The Superintendent or designee shall notify any homeless student who is granted an exemption and the person holding the right to make educational decisions for the student how any requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges. (Education Code 51225.1)

The district shall not require or request a homeless student to transfer schools in order to qualify for an exemption and no request for a transfer solely to qualify for an exemption shall be made by a homeless student, the person holding the right to make educational decisions for the student, or the district liaison on behalf of the student. (Education Code 51225.1)

If a homeless student is exempted from local graduation requirements, the exemption shall continue to apply after the student is no longer homeless or if the student transfers to another school, including a charter school, or school district. (Education Code 51225.1)

If the Superintendent or designee determines that a homeless student is reasonably able to complete district graduation requirements within the fifth year of high school, the Superintendent or designee shall: (Education Code 51225.1)

1. Inform the student and, if under 18 years of age, the person holding the right to make educational decisions for the student, of the option available to the student to remain in school for a fifth year to complete the district's graduation requirements and how that will affect the ability to gain admission to a postsecondary educational institution
2. Provide information to the homeless student about transfer opportunities available through the California Community Colleges
3. Upon agreement with the homeless student or with the person holding the right to make educational decisions for the student if under 18 years of age, permit the student to stay in school for a fifth year to complete the district's graduation requirements

Eligibility for Extracurricular Activities

A homeless student who enrolls in any district school shall have access to extracurricular and enrichment activities that are available to all students in the school, including but not limited to, interscholastic sports administered by the California Interscholastic Federation. (Education Code 48850)

Notification, Complaints, and Posting Requirements

Information regarding the educational rights of homeless students, as specified in Education Code 51225.1 and 51225.2, shall be included in the annual uniform complaint procedures notification distributed to students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622. (Education Code 51225.1, 51225.2)

Any complaint that the district has not complied with requirements regarding the education of homeless students, as specified in Education Code 51225.1 or 51225.2, may be filed in accordance with the district's procedures in AR 1312.3 - Uniform Complaint Procedures.

Bylaw 9322: Agenda/Meeting Materials

Status: ADOPTED

Original Adopted Date: 03/01/2008 | **Last Revised Date:** 03/2022 | **Last Reviewed Date:** 03/2022

Agenda Content

Governing Board meeting agendas shall reflect the district's vision and goals and the Board's focus on student learning and well-being.

Each agenda shall state the meeting time and location and shall briefly describe each item to be transacted or discussed, including items to be discussed in closed session. (Government Code 54954.2)

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board's consideration of the item. However, the agenda need not provide an opportunity for public comment when the agenda item has previously been considered at an open meeting by a committee comprised exclusively of Board members, provided that members of the public were afforded an opportunity to comment on the item, before or during the committee's consideration of the item, and the item has not been substantially changed since the committee considered it. (Government Code 54954.3)

The agenda for a regular Board meeting shall also provide members of the public an opportunity to provide comment on matters which are not on the agenda but which are within the subject matter jurisdiction of the Board. (Education Code 35145.5; Government Code 54954.3)

Each agenda for a regular meeting shall list the address designated by the Superintendent or designee for public inspection of documents related to an open session item that have been distributed to the Board less than 72 hours before the meeting. (Government Code 54957.5)

The agenda shall include information regarding how, when, and to whom a request for disability-related accommodations or modifications, including auxiliary aids and services, may be made by an individual who requires accommodations or modifications in order to participate in the Board meeting. (Government Code 54954.2)

Agenda Preparation

The Board president and the Superintendent, as secretary to the Board, shall work together to develop the agenda for each regular and special meeting.

Any Board member or member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information, if any, at least one week before the scheduled meeting date. Items submitted less than a week before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue. The Board president and Superintendent shall decide whether a request from a member of the public is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, before placing the item on the agenda, the Board president and Superintendent shall determine if the item is merely a request for information, and if so, respond accordingly.

If the Board president and Superintendent deny a request from a Board member to place an item on the agenda, the Board member may request the Board to take action to determine whether the item shall be placed on the agenda.

The Board president and Superintendent shall also decide whether an agenda item is appropriate for discussion in open or closed session, and whether the item should be an action item subject to Board vote or an information item that does not require immediate action.

In order to promote efficient meetings, the Board may bundle a number of items and act upon them together by a single vote through the use of a consent agenda. Consent items shall be items of a routine nature and items for which Board discussion is not anticipated and for which the Superintendent recommends approval. When any Board member requests the removal of an item from the consent agenda, the item shall be removed and given individual consideration for action as a regular agenda item.

The agenda shall provide an opportunity for members of the public to comment on any consent agenda item unless such item has been previously considered at an open meeting of a committee comprised exclusively of Board members. (Government Code 54954.3)

Any Board action that involves borrowing \$100,000 or more shall be discussed, considered, and deliberated upon as a separate item of business on the meeting agenda. (Government Code 53635.7)

All public communications with the Board are subject to requirements of relevant Board policies and administrative regulations.

Agenda Dissemination to Board Members

At least 72 hours before each regular meeting, each Board member shall be provided a copy of the agenda and agenda packet, including the Superintendent or designee's report; minutes to be approved; copies of communications; reports from committees, staff, and others; and other available supporting documents pertinent to the meeting.

When special meetings are called, Board members shall receive, at least 24 hours prior to the meeting, notice of the business to be transacted. (Government Code 54956)

Board members shall review agenda materials before each meeting. Individual members may confer directly with the Superintendent or designee to ask questions and/or request additional information on agenda items. However, a majority of Board members shall not, outside of a noticed meeting, directly or through intermediaries or electronic means discuss, deliberate, or take action on any matter within the subject matter jurisdiction of the Board.

Agenda Dissemination to Members of the Public

Any agenda and related materials distributed to the Board shall be made available to the public upon request without delay. Only those documents which are disclosable public records under the Public Records Act (PRA) and which relate to an agenda item scheduled for the open session portion of a regular meeting shall be made available to the public. (Government Code 54957.5)

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public. (Government Code 54954.2)

In addition, the Superintendent or designee shall post the agenda on the homepage of the district web site. The posted agenda shall be accessible through a prominent direct link to the current agenda or to the

district's agenda management platform in accordance with Government Code 54954.2. When the district utilizes an integrated agenda management platform, the link to that platform shall take the user directly to the web site with the district's agendas, and the current agenda shall be the first available. (Government Code 54954.2)

If a document which relates to an open session agenda item of a regular Board meeting is distributed to the Board less than 72 hours prior to a meeting, the Superintendent or designee shall make the document available for public inspection at a designated location at the same time the document is distributed to all or a majority of the Board. (Government Code 54957.5)

The Superintendent or designee shall mail a copy of the agenda or a copy of all the documents constituting the agenda packet to any person who requests the items. The materials shall be mailed at the time the agenda is posted or upon distribution of the agenda to a majority of the Board, whichever occurs first. (Government Code 54954.1)

The Superintendent or designee shall email a copy of, or a web site link to, the agenda or a copy of all the documents constituting the agenda packet to any person who requests such items to be delivered by email. If the Superintendent or designee determines that it is technologically infeasible to do so, a copy of the agenda or a web site link to the agenda and a copy of all other documents constituting the agenda packet shall be sent to the person who has made the request in accordance with mailing requirements specified in law. (Government Code 54954.1)

Any request for mailed copies of agendas or agenda packets shall be in writing and shall be valid for the calendar year in which it is filed. Written requests must be renewed following January 1 of each year. (Government Code 54954.1)

Persons requesting mailing of the agenda or agenda packet shall pay an annual fee, as determined by the Superintendent or designee, not to exceed the cost of providing the service.

Any document prepared by the district or Board and distributed during a public meeting shall be made available for public inspection at the meeting. Any document prepared by another person shall be made available for public inspection after the meeting. These requirements shall not apply to a document that is exempt from public disclosure under the PRA. (Government Code 54957.5)

Upon request, the Superintendent or designee shall make the agenda, agenda packet, and/or any writings distributed at the meeting available in appropriate alternative formats to persons with a disability, as required by the Americans with Disabilities Act. (Government Code 54954.1)

Dear Michelle Stewart and Happy Valley Board,

I want to thank you for allowing me the opportunity to teach at Happy Valley for four amazing years. I have loved every moment of my time with this brilliant staff and thriving community, and feel a powerful connection to the children that I have been fortunate enough to teach.

As a single mother of two, I find myself working so hard, pouring my heart into this classroom, but still struggling to provide for my family. My energy is spread very thin, and the thought of pushing myself even harder with the task of turning this class into a TK/Kinder combo without a significant salary increase is too much for me to take on at this time.

The kindergarteners always ask me if I live here, which is funny because it is like my second home. It saddens me to walk away from teaching here at Happy Valley, as it is where I discovered that this career is my calling. That said, I know I will find a way to continue to share my passion for creativity, social-emotional health, and education with children. I am excited to see what the future holds, and it will definitely involve serving children in some capacity.

Michelle Stewart, has been a wonderful leader, and I am so fortunate to have had my last year be her first. Thanks again for being so supportive. Please consider this my letter of resignation. It has been an honor to have been a part of this Happy little school and I will miss it dearly.

Sincerely,

Laura Pearce
