STAFF SPECIAL RECOGNITION:

When you hear Lowrie, Lowrie, and Croley you might think they are partners of a successful law firm but to the students at Williamsburg City School they are leaders in their classrooms. Kassie Lowrie, Myah Lowrie, and Misty Croley exemplify what is best about the teaching profession. The passion they have for their students and commitment to their learning is a model for all educators to resemble. Their work this year with 5th grade during the pandemic has been extraordinary. Their relentless pursuit of teaching students and making learning important has been instrumental in the lives of their students. They have put in countless hours educating students sometimes in person and sometimes virtually but all the time with high expectations and unwavering commitment. This was never more apparent than with the Elementary Academic Team. On Saturday, March 6th the Williamsburg City School Academic Team led by 5th graders Tatum Croley, Pascual White, Harlan Marietta, Mason Partin, and Tripp Fields took first place in Quick Recall defeating Corbin in “Sudden Death” round. This propelled the team to a Regional Runner Up Finish. On behalf of the administration, faculty, staff, and students we would like to congratulate Kassie Lowrie, Myah Lowrie, and Misty Croley for the team accomplishments and recognize their ongoing commitment to Williamsburg City School by awarding them with “Going the Extra Mile” award.
