POLICY MANUAL UPDATES

WITH A FEW OF THE POLICY REVISIONS THAT WE HAVE HAD OVER THE LAST FEW MONTHS, I HAVE BEEN THINKING A LOT ABOUT OUR POLICY MANUAL. I FEEL LIKE WE NEED TO GO THROUGH OUR POLICY MANUAL WITH A FINE TOOTH COMB. THIS IS SOMETHING THAT I WOULD LIKE TO DO OVER THE SUMMER MONTHS, MOSTLY DUE TO ALL OF THE AUDITS I HAVE THIS YEAR AND NOT HAVING THE TIME TO FOCUS SO MUCH ON POLICY. I WANT TO COME WITH SO RECOMMENDATIONS FROM ADMINISTRATION ON POLICIES THAT NEED TO BE REVISED OR POSSIBLY TAKEN OUT. WE HAVE ALL OF THE E COVID POLICIES THAT NEED TO BE DELETED AS WELL, I WOULD BRING THOSE TO THE BOARD OR POSSIBLY A COMMITTEE AND THEN TO THE BOARD. I WANT TO MAKE SURE THE POLICIES THAT WE HAVE ARE ENFORCED. AND ALSO FOLLOW THE STRATEGIC PLAN AS WELL AS THE COMMUNITIES STANDARDS FOR OUR SCHOOL.

BUS REIMBURSEMENT UPDATE

KACY AND I WENT THROUGH AC OUPLE OF DIFFERENT THINGS TRYING TO GET YOU THE NUMBER THAT YOU REQUESTED AT THE LAST BOARD MEETING AS FAR AS EXPENSES FOR ATHLETICS. SHE ALSO CONTACTED CHRIS JAMES THE BUSINESS MANAGER AT CASSIA SCHOOL DISTRICT. HIS RECOMMENDATION FOR THIS NUMER IS THAT WE TAKE THE TOTAL MILES FOR ATHLETICS OR NON REIMBURSABLE MILES. THIS NUMBER WAS \$9,333 AND MULTIPLY THAT BY \$4-\$5 A MILE, THIS COMES OUT TO \$37,332,00 AT \$4,00 A MILE. \$46,665.00 AT \$5.00 A MILE. THIS IS WELL OVER THE 18,000. WE DID GET SOME MORE INFORMATION THIS PAST COUPLE WEEKS ON TRANSPORTATION REIMBURSEMENT. THEY ARE REDOING THE WAY THEY DO THAT ENTIRE REIMBURSEMENT. THEREFORE I THINK WE REALLY JUST WAIT AND SEE WHAT THINGS ARE GOING TO LOOK LIKE BEFORE WE MAKE ANY DECISIONS ON THIS TOPIC.

Principal Report

Teacher observations have all been finalized. Meeting with teachers this month to go over their observations with them, some have already been finished.

Had our veterans day assembly and it went well. Our Thanksgiving dinner here at the school had a great turnout and our kitchen staff did an amazing job!

Glanbia coats donated coats to every one of our elementary students. Was great to see the kids' excitement and much needed for some students.

Red Cards: We had 9 students placed on Red Cards yesterday. 7th grade - 3, 8th grade - 1, 9th grade - 2, 10th grade - 2, 11th grade - 1 and 12th grade - 1.

Dress Code Policy: I have not had a lot of information brought to me involving the Dress code policy. I did have several members say they would be fine with say a "nostril piercing" but they worry about leaving it open to whatever else may come. I have also had several say they want it to stay exactly as it is. Almost all of these instances are involving staff dress code, more so than student dress code. I would say almost everyone is in agreement with leaving the student dress code the same.

Recommendation: 1) My recommendation would be to either leave it the same, or 2) Remove the sentence involving "teachers having the same expectations and more" and break down exactly what is and what is not acceptable dress code for staff members.

As I stated in my previous concerns, according to policy as it stands now, I would have to enforce policy if someone complained that an adult on staff has a belly button ring. I would have to inform them that according to policy, they can't have one (which I don't find appropriate to do). The policy already states that the belly can't be shown. So I believe that my concern should be the skin that's being shown, not the personal choice of a grown adult female with a piercing that they chose to have.

Athletic Report

Football had a fantastic year and finished 2nd in state to a very good Carey football team. The coaches did a fantastic job and made it a great experience for the kids.

Basketball

Girls basketball is off to a great start and are expected to compete for district. Boys have also begun and their first home game is this weekend with the Holiday tournament. Jr. High basketball has already had a few games and we have good numbers for boys and girls basketball.

Joining with Richfield for Football

I met with superintendent Shaw, Garrett Astle, Mike Torgerson, Richfields football coach Buck Hendron and Richfields principal Scott Guthrie. Everyone met to discuss the proposition that was proposed about the two schools joining for football. Positives and negatives were stated and discussed. The majority of everyone there seemed to agree that until there are not the numbers able to play, that we shouldn't be joining the schools football programs.

Football Consortium Update Dietrich Schools

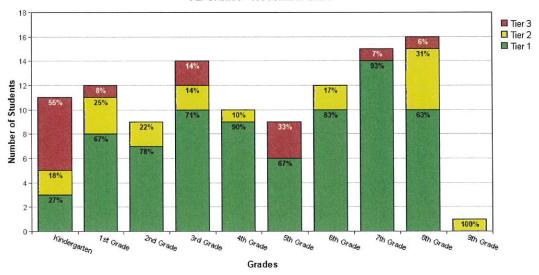

Educate, Empower, Prepare

December 2nd meeting Update

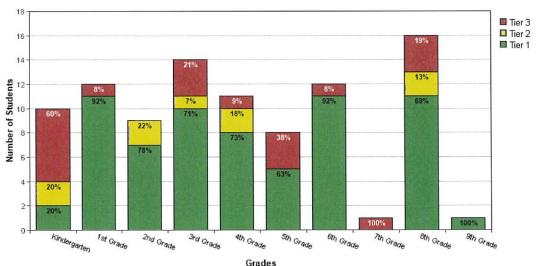

- ❖ We had a meeting with Richefiled Principal, AD/Current football coach.
- Dietrich had Superintendent Shaw, Mr Romander, Garrett Astle, and Mike Torgerson present. (Mike was only available via phone call)
- Superintendent Shaw started the meeting and asked where Richfield was at in the process. There was a lengthy discussion by both Dietrich and Richfield. Mike had some really good points that he brought up for reasons why we should do a co-op at the high school level. There were a lot of negatives as well by the other individuals present. Superintendent Shaw asked towards the end of the meeting what they were recommending to the board. Richfield stated that it is not their recommendation to co-op until there is a need at either school. Both coaches stated that they do not feel it is a need currently. However in the discussion it did sound like much of what was presented to the Dietrich board earlier in the year was being taken off of the table by Richfield.
- There was a discussion about Junior High Football and it was discussed that we would wait to make a decision on that until August we would see where numbers were at. This year Dietrich had the numbers to field a time so it just depends on what the numbers are. Both schools agreed if it is a need we will continue with the co-op to ensure there will be a program at both schools.
- Superintendent Shaw told Richfield that she would recommend to the board that we not look at the co-op for the time being as it was not an immediate need for the Dietrich athletes.

Istation Scores

All Grades - November 2024

As I told you last month that due to the lack of time with students as well as the challenges that comes with it being the month of December and doing some other fun things with the students I expected to see some scores decrease. This rang true for every grade level this month. I expect these numbers to go up next month especially in Tier 2 and Tier 3. If they don't I will meet with Mr Romander, Mrs Novotny the Reading Intervention teacher and come up with a plan as to any changes that need to be made in each grade level in their intervention groups.

Policy Committee Dietrich Schools

Educate, Empower, Prepare

- Rick had an idea to have a policy committee developed for the district. Especially for hot topic policies such as cell phone, dress code etc.
 - ➤ It would consist of one board member, Superintendent, the principal, a couple of staff members and 2 or 3 community members. The goal of the committee would be to review all of the schools policies and bring through you to the board recommendations to simplify, clarify or remove policy.
 - > For hot topic policies the committee can put out surveys with proposed changes and ask for recommendations from the community.
- My recommendation is that we have admin (Stefanie and Rex) go through the policy manual first to identify needs and then set up a committee to look at specific policies.
- We will discuss this at the board meeting.
- We have done a committee similar to this before. The biggest hurdle with these types of committees is getting people together. This does not mean that it can't be done.
- Please refer to my board report with some work that I think needs to be done over the next year with our policy manual.

INSTRUCTION

Idaho Digital Learning Academy Classes

The Idaho Digital Learning Academy (IDLA) is a legislatively created virtual school designed to provide Idaho students with greater access to an assortment of courses while working in collaboration with public schools. IDLA offers educational opportunities that meet students' changing needs and grants students the flexibility of learning anytime, anyplace, and at a pace that meets their individual learning styles.

The District will use IDLA classes to supplement its curriculum and to provide remedial academic support.

Site Coordinator

The District will provide an individual, employed by the District, as a Site Coordinator. The Site Coordinator is to regularly motivate students and monitor their progress. The role of the Site Coordinator is to:

- 1. Advise students on appropriate courses for registration;
- 2. Ensure that students are completing work on a timely basis, including checking grades online every week;
- 3. Proctor final exams; and
- 4. Facilitate communications with students' parents/guardians regarding course progress and the IDLA instructor.

Additionally, the Site Coordinator is a contact for the IDLA instructor and IDLA staff. Anyone selected as a District Site Coordinator shall successfully complete the IDLA online Site Coordinator Course. The cost of the IDLA online Site Coordinator Course shall be paid by the District.

Student and Course Selection

District administrators, counselors, and teachers will identify those students who will benefit from IDLA classes.

At the discretion of the principal or designee, students may be selected to take IDLA courses if they:

- 1. Need to make up credits in order to graduate on schedule;
- 2. Are eligible for hospital or homebound programs;
- 3. Are interested in advanced placement or dual credit courses;

- 4. Want to supplement their curriculum by taking course(s) not offered at their school; and are approved by the school principal.
- 5. Have scheduling conflicts;
- 6. Want to accelerate their academic program by taking additional courses to facilitate early graduation.
- 7. Are excused from being physically present on the campus of their school of record for an extended period of time.

Students may be denied the privilege of IDLA enrollment if their academic and behavioral record does not indicate the academic ability and self-discipline needed to succeed in online classes.

The parent or guardian, student, and principal or designee must confer and agree that the course(s) selected is (are) academically and developmentally appropriate for the student and that all prerequisites as determined by the student's school of record have been completed before registration in an IDLA course.

Ethical Conduct

Any student attending classes through IDLA shall adhere to the District's Acceptable Use of Electronic Networks policies and any acceptable use policy implemented by IDLA. Additionally, the student and the student's parent/guardian shall agree to abide by the District's and IDLA's policies prior to IDLA classes beginning.

In the event of a violation of the acceptable use policy, plagiarism, or other disciplinary issues, IDLA will notify the District. The District shall take any disciplinary measures necessary as provided in District policy.

Tuition and Fees

The District shall abide by the IDLA Fees Policy Statement provided by IDLA. The district shall pay the IDLA cost associated with students who take IDLA classes as part of their normal school day. The district will pay the tuition and registration fees for eligible students, including the cost of classes taken for credit recovery or as a retake or remedial course unless the District offers the course directly and the student makes a personal choice to take the course through IDLA instead of the district offering.

If the student is enrolled in six or more credits or sufficient classes to qualify as full-time in a District high school, the student is responsible for all tuition and registration fees to be paid to IDLA associated with over-enrollment. In other words, if the student has made a personal choice to take more than a full course load of classes for credit, such is the personal choice and personal cost of the student/family of the student.

The student should also be responsible for any tuition or registration fees for a course taken through IDLA which was offered by the District directly but taken via IDLA at the student's

preference.

Grading

IDLA provides a percentage grade to the Districts. The District transcribes the credit. The grade received from any IDLA class will be averaged into the student's GPA. The student will be granted high school credit when earned through the IDLA. Grade percentages in courses shall be based on such criteria as mastery of the subject, demonstrated competency, and meeting the standards set for each course.

Advanced Placement Designation on Transcript

If a student of the District takes an IDLA class, the District will specify on the student's transcript that the advanced placement course was taken through IDLA. The purpose for this is to ensure that the student's transcript reflects an approved provider of the advanced placement course, such as IDLA.

For all other requirements regarding IDLA, please refer to the Idaho Digital Learning Academy.
