

ST THERESE CATHOLIC CHURCH AND OTHONIA  
INVITE YOU TO:

# WHO IS THE MAN OF THE SHROUD?

PRESENTATION WITH NORA CREECH,  
OTHONIA NORTH AMERICAN  
DIRECTOR

*The Shroud of Turin is a blood stained linen cloth that bears the faint image of a crucified man believed by many to be Jesus. It is the most studied archaeological artifacts in the world, yet modern science cannot explain how the mysterious image was formed. You are invited into contemplation of the mysteries of the Shroud as revealed by science, history, art, and Scripture.*
