EMERGENCY CLOSINGS

The Principal is empowered to close the North Country Charter Academy or to dismiss students early in the event of hazardous weather or other emergencies which threaten the health or safety of students and personnel. If the Principal is not available he/she may designate a senior school administrator to perform these duties.

Students, parents, and staff shall be informed early in each school year of the procedures which will be used to notify them in case of emergency closing, whether action is taken before or during school hours. When schools are closed for emergency reasons, staff members shall comply with Board policy in reporting for work.
