Fannin Family,

As we successfully complete the first quarter of the year, I want to acknowledge each of you for your work and dedication to our school system. You invest your time, talent, and treasures to support our students, and your efforts have not gone unnoticed. Your dedication to our students and each other, as well as your commitment to continuous improvement and excellence, make our schools the best.

Safety is a top priority in our district, and recently, we have been reminded as a nation that it is more important than ever. I applaud your diligence in remaining aware of procedures to increase safety. Our daily efforts will continue to improve the security of our campuses.

As I reflect on these past weeks, I am reminded of how grateful I am to be part of our Fannin Family and how much gratitude I have for each of you. With each life-altering event we experience as a community, you never fail to rally together in support to make it an easier journey for those negatively impacted.

Please spend your upcoming days enjoying your students' accomplishments. It is through your work that they experience success.

I wish you a restful and relaxing Fall Break and look forward to celebrating with you throughout this school year.

We are Fannin,

Shannon M. Dillard
