Extended School Program

Parent Handbook

Summer 2022

Policies and Procedures

The Franklin County Extended School Program provides quality care for children in a safe and enriching environment. This program is offered during the hours when parents are working and there may be no adult supervision in the home. Children have the opportunity to engage in activities which benefit them emotionally, socially, physically and educationally. These activities include crafts, sports, games, art, music, and many other creative and cultural activities. The activities are conducted and planned by staff trained to meet the needs of children and to provide positive adult role models. The Extended School Program is a privilege extended by the school system and not a right. The program is self-sufficient and receives no federal, state, or local tax dollars.

We want to know how you and your child feel about the program and how we might better meet your needs. All questions concerning policies and procedures of the Extended School Program should be addressed to the site director at each school or the coordinator, Kim Nuckolls. Should you have questions, or concerns about the program please feel free to call the school or the ESP Coordinator at the Board of Education.
