Dances—School Related Events

- Only students in grades 9-12 are permitted to attend the Homecoming Dance and Junior-Senior Dance. No student below the ninth grade is allowed to attend. No guest can be older than 20 years old. Names of dates who are not students at Southland Academy must be turned in to the Administration prior to the deadline for approval.

Dress Code

We believe that students work best when they are neatly and appropriately groomed. Concern for one's personal appearance is an indication of self-respect and courtesy toward others. The essentials are cleanliness and neatness in dress and grooming. Appropriate dress does not call attention to itself. Southland Academy expects each student to live up to these ideals concerning his or her personal appearance. Clothing should always be appropriate for the occasion. At all extra-curricular activities, Southland students and their guests should be attired neatly and in good taste.
