IMPORTANT REMINDER

For all students enrolled in physical education classes: appropriate gym shoes must be worn. Street shoes are not permitted, as they can track in dirt, causing damage to the gym floor and they don't provide the necessary grip or support needed for physical activities. Wearing gym shoes ensures safety and helps maintain the condition of the gym facilities.

The food drive results are in!

What an amazing effort, Tigers! In the elementary, the 4th grade took first place with an incredible 491 items donated. In the Jr/Sr High, the 8th grade claimed the top spot with 92 items collected.

Together, from Pre-K through 12th grade, our school donated a grand total of 1,300 items to the Hanna Food Pantry.

Thank you to everyone who participated and showed the true meaning of community and generosity. Your contributions will make a big difference for families in need, and we couldn't be prouder of the amazing spirit of giving you've shown.
