

607 ORGANIZATION OF GRADE LEVELS

I. PURPOSE

The purpose of this policy is to address the grade level organization of schools within the school district.

II. GENERAL STATEMENT OF POLICY

- B. The superintendent may seek school board approval to administer certain programs on a non-graded basis or a design different from that indicated. Program proposals that seek school board approval must meet all state requirements and reflect the rationale for the modification.

Documentation may include a passport, a hospital birth record of physician's certificate, a baptismal or religious certificate, an adoption record, health records, immunization records, immigration records, previously verified school records, early childhood screening records, Minnesota Immunization Information Connection records, or an affidavit from a parent.
