PLEDGE OF ALLEGIANCE

CHEMIC SALUTES

Student Council & Leadership - While most of you were relaxing with a day off yesterday, members of the MHS student leadership were working hard to organize and run a food distribution here at MHS. A big thanks goes out to each Chemic who was a part of helping our community in such a direct and meaningful way!

Brooklyn Jones - Congrats go out to Brooklyn as the November Co-op of the Month! Brooklyn is currently co-oping at Serenity Bay Health. As a receptionist, Brooklyn handles a variety of tasks, including answering phone calls and completing clerical duties. Her positive attitude and strong work ethic have made her an invaluable asset to the team.
