Vision:

Carver Elementary's faculty and staff will work collaboratively with all stakeholders to provide every child with the environment, skills, knowledge, and support needed to establish a "STRONG" foundation for future learning and positive social development.

Mission:

To collaboratively develop, implement, monitor, evaluate, and adjust systems in a way that promotes student achievement while simultaneously providing an environment conducive for all learners and stakeholders.

Carver's View

Greetings from the Admin Team,

First, we would like to thank all of our parents for all that you do to support student growth here at Carver. After the benchmark data, it is evident that we still have a few miles to go to get to where we are headed. **Please ensure that your child is at school on time (before 7:30 a.m.) and stays until the end of the school day (3:15 p.m.)**. All hands are on deck in ensuring that our students grow and meet their targets. We are also encouraging our boys and girls to read daily even when they are not in school. This will help up to close the gap in reading achievement. Again, we appreciate you for all of your support! It's only getting better from here. Remember, WE ARE CARVER STRONG!

A Message from the School Counselor

Hello Carver Family,

As we enter the season of Thanksgiving, I would like to reflect on our students' academic achievement despite the hurdles placed before them during the pandemic. We are thankful for students, parents, teachers, support staff, community members, and administrators for their unwavering efforts in making sure our school is a success.

I would also like to bring awareness to the month of November as being National Adoption Month, Diabetes Awareness Month, and the month that we celebrate Veterans Day (November 11). Let's show our veterans, healthcare workers, and adopted parents some appreciation for everything they have done, are doing, and will continue to do to help make this world a better place.

McKinney-Vento Act

The McKinney –Vento Act is a federal law that ensures the right of students to go to school even when they are homeless or don't have a permanent address. If you have questions, please contact our counselor at lamjohnson@sunflower.k12.ms.us

Librarian's Corner

"Giving is not just about making a donation, it's about making a difference"
(Kathy Calvin)

Do you have a cause you believe in or a change you'd like to see in the world? Mahatma Gandhi said, "Be the change you wish to see in the world." We're starting right here at Carver. It's never too early to start teaching children to give or to involve children with the act of service. Thanks in advance for supporting our Thanksgiving Food Drive.
