## A Note To You

Hello Families,

With an extra long weekend coming up, please take some extra time to read with your child. We are already making lots of progress in class!

Have a great fair week! ☺

Mrs. Summerfield

## This Week's Agenda

**Spelling:** Soft c and soft g in CVCe words

**Reading:** We will read and write about stories that discuss the purpose of school

**Math:** We are continuing to learn about place value. The value of each digit in a number depends on the place value it's in.

**Science:** We are learning about habitats. We will discuss how plants and animals rely on each other within a habitat.

## Practice At Home

- ❖ UFLI at home practice will guide you through the spelling pattern we are learning in class.
- ❖ Read 20 minutes each night and document it on your September reading log (the bright yellow paper I sent home last week) These will be due at the end of the month.  
If you need another reading log, please send me an email and I will make another for you.
- ❖ Math Practice sheets will reflect what we have been learning in class so that you can do a little more at home.
