## NOVEMBER

### Ccss Gifted Education Referral

Gifted Testing will be conducted in February 2024. Students in grades K-5 can be nominated for consideration for testing by the parent or guardian. The deadline for nomination is December 8, 2023. Nomination does not guarantee the student will be tested, however. All available data will be studied for each student in the preliminary selection pool by the school's Gifted Eligibility Team. The team will make the decision to move forward with formal testing or stop the process. Nominations for testing must be in writing. Please contact Issy Burnham, Gifted Coordinator, if you have any questions at 912-389-6704 or testing must be in writing.
