

2nd Quarter Success Story

Izabella Robinson

Littleton Site

Izabella Robinson from Waterford, Vt., came to North Country Charter Academy (NCCA) in the fall of 2023 and immediately let it be known that she was going to graduate with the class of 2024. She has a strong work ethic and has been eager to fully engage in her academic studies. Her empathy is evident in everything she does, whether partaking in difficult conversations within the Holocaust project or showing sympathy to those less fortunate than herself both in and outside the classroom. She is looking forward to furthering her education and will no doubt be successful in whatever endeavor she chooses to pursue.
