

GREYHOUND WEIGHT ROOM MAINTENANCE

# BRICK PROJECT

Please help us by **BUYING A BRICK** in the weight room to help offset the cost of upkeep of the equipment and the purchase of new equipment needed.

**HERE IS HOW THIS WORKS:** You purchase a brick in the weight room at a cost of \$50.00. The brick will be yours for ten years (from date of purchase). You will be given the opportunity to re-buy the brick after ten years have passed. Your brick will be personalized with a message of your choice and displayed on a brick in the weight room in cut vinyl lettering.

**The Shoemaker  
Family  
Go Greyhounds!**

*\*Message must be three lines or less and not exceed 19 characters per line (punctuation and spaces included). Typeface to be determined.*

All proceeds from the bricks will go directly into an account to help with the upkeep of the present weight room.
