Dear Frazier Parents and Guardians,

On February 10, the Frazier School District received a Safe2Say Something report regarding a photo observed on social media that depicted a student holding what appeared to be a “weapon.” The photo, which was taken on February 3, was not taken on school property. Following a thorough investigation, the “weapon” was confirmed to be a BB gun. At no time was a threat made to a student or against the school.

The safety of our students and staff is always our highest priority. We take all reports seriously and appreciate the use of the Safe2Say Something system, which allows concerns to be reported promptly and appropriately. We are grateful for the cooperation of law enforcement and for the continued support of our school community.

If you have any questions or concerns, please do not hesitate to contact the school administration.

Thank you for your continued partnership in keeping our schools safe.

Sincerely,
Frazier School District Administration
