Returning Link Leader Application Project PVHS Link Crew 2016-2017

We here at Link Crew are all about using past experiences to better ourselves. In order to demonstrate to the Link Crew Advisor’s that you are fired up for another link-year, we are asking you to do a project in addition to your Link Crew application. Applications submitted without the project will not be accepted! Please choose one of the following options and be creative! This is your time to shine and as long as it fits the directions given, it works for us!

Choose one:

1. Make a one minute music video that shows how you will use your experiences as a link leader last year, to make this year even better. Be sure to clearly include your name and 6 digit student # in the video. Either save the video on YouTube, eyejot.com, (or another video website of your choice), and email the link to us at pvhslinkcrew@gmail.com or save the video on a flash drive and bring it with your completed application.

or

2. Create a comic strip that shows how you will use your experiences as a link leader last year, to make this year even better. You can create new comic characters, or use classic characters to accomplish this project. Be sure to clearly include your name and 6 digit student # on the comic. Be creative!!
