BACK 2
SCHOOL

2022-2023

WELCOME BACK TO SCHOOL!

Week one happy faces...

Hi! First week was awesome! Students are getting used to using the sombrero to celebrate birthdays or just because they want to wear it! We will continue to provide a fun environment and above all, to learn about Spanish language and Spanish speakers' Culture! Let's TACO about FIESTA!

Lunch time...fun time

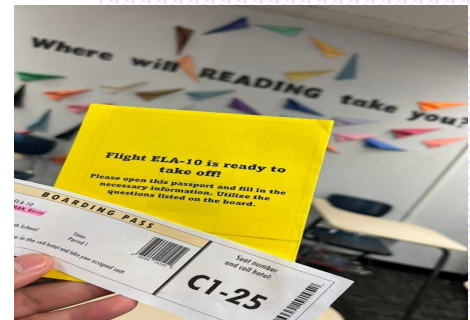

Meet Mr. Antonio

My name is Jon Aldrin Antonio. I am responsible for Sophomore English, I related everything with flight and traveling the world through Reading. I began the first day by distributing boarding permits (where they could find their assigned seat number and cell hotel). I also pinned a bunch of paper airplanes to the wall where it reads "Where will READING take you?", and all of my classroom rules correspond to the instructions posted within the aircraft..

In my first two weeks, I encountered passengers trusting their pilot for this voyage, and it made me so happy to be here.

One thing that jumped out to me was when my students asked about what I ate for lunch. They are my fourth period flymates, and we always engage in a quick chat about lunch. When a student told me he ate "Pop Tarts" for lunch, I asked as to what those are. I swear, the entire class is staring at me as if I am an ET alien who has never tasted the best flavors of this snack I just heard about. However, they did not make fun of me; rather, a student brought me pop tarts the next day so I could try it. This is the nicest part of this flight thus far, because who doesn't enjoy cinnamon pop tarts?

The Trip Takes Us

"The flight has taken off, the students have boarded, and I cannot wait for us to soar high together."
