

July 9, 2026

Dear St. Anne Families,

I hope everyone is enjoying a wonderful summer and finding plenty of ways to stay cool during these warm July days. It always seems that once the Fourth of July celebrations have come to an end, sparklers and patriotic decorations quickly disappear from store shelves and are replaced with backpacks, notebooks, folders and other school supplies. While summer is certainly not over - and we encourage everyone to continue enjoying these special weeks with family and friends - the arrival of school supplies is a gentle reminder that another exciting school year is just around the corner!

To help you prepare at your own pace, we are including several important documents with this communication. Enclosed you will find the **2026–2027 school calendar**, **grade-level supply lists**, and our **school dress code**. Please note that **there have been no changes to the dress code** from the previous school year. Having these items now will allow you to plan ahead while still enjoying the remainder of your summer break

Throughout the remainder of the summer, we will continue to share important information regarding the upcoming school year, including reminders about Back-to-School Night, student schedules, and other events to help your family prepare for a successful start. Have a great week!

Wishing you a blessed and restful summer,

Dr. Fries

St. Anne, pray for us!
