Postsecondary Institution (college) Admissions Application

Students must apply for admission to the postsecondary institution before completing the Dual Enrollment funding application.

Dual Enrollment Funding Application

To apply for Georgia's Dual Enrollment funding program, select the application based on the year you plan to participate:

- The 2020-2021 school year (includes Summer term 2020, Fall term 2020, Winter Term 2021 and Spring term 2021)

Click [here](#) to view a tutorial video of the application process.

Students attending a Georgia eligible participating public or private high school must complete the online Dual Enrollment funding application.

Students attending a home study program must complete the online Dual Enrollment funding application.

First, the Georgia home study parent/guardian official must create a GAfutures Education Professional account for the name of the home study program. The Georgia Home Study Program parent/guardian will receive an assigned HSP#, to provide to the student prior to completing the annual online Dual Enrollment funding application.

Step 5: Select “Apply for Dual Enrollment”

Northside High School - Houston

DUAL ENROLLMENT

The Dual Enrollment funding Application provides funding for students at participating Georgia high schools that are enrolled to take approved college-level courses at a participating eligible Georgia college or university. The students earn high school credit for graduation and earn college credit.

Your Dual Enrollment Profile Options:

	<input type="button" value="Apply for Dual Enrollment"/>	Must be completed each year you choose to participate. Note: only if you change high schools in the middle of the year, you must complete a new application.
	<input type="button" value="Add College(s)"/>	If you need to add a college for Dual Enrollment participation.
	<input type="button" value="Resend Parent Acknowledgement Email"/>	Parent/Guardian must authorize participation prior to high school approval.
	<input type="button" value="View My Dashboard"/>	Check the status of your application after you have submitted it.

Step 6: Make sure your Student Demographics are correct

HOPE Grant Implications

I acknowledge, once I, the student, reach the 30 semester or 45 quarter paid hours Dual Enrollment funding cap, I may qualify to receive HOPE Grant Bridge funding. Should I qualify and accept HOPE funding, the credit hours funded by HOPE Grant will be applied toward the HOPE & Zell Miller Grant 63 semester Paid Hours limit and toward the HOPE & Zell Miller Scholarship 127 semester or 190 quarter Combined Paid-Hours limit. Student must meet HOPE Grant eligibility requirements. For questions, discuss this option with your College's Financial Aid Office.

I understand

I certify that the information reported and on any other document or writing in connection with this application is true, correct and complete to the best of my/our knowledge. I authorize release and exchange of information between the Georgia Student Finance Authority, educational institutions, and educational state agencies, and agree that such information exchanged may include financial, enrollment, academic status, identification, legal residency, and location information necessary to assure proper administration of this program.
