

Groveton ISD SHAC Meeting Minutes

3/1/2022

Persons who attended were: Fallon Rivers, Lisa Sharp, Andrea Fitzgerald, Chandra Lee, Brittany Barrett, Deborah Alvarenga, Debbie Wilson.

Introduced the new nurse Brittany Barrett. Talked to her about what the SHAC does.

Talked about our upcoming events that we will be in charge of which is the Walk Across Texas and Grow Eat Go.

Deborah with the ag extension agency tells us what our role in the Grow Eat Go program with the 5th grade would be. We need to volunteer to help when the 5th grade goes out to the garden to help with anything mrs. parson would need. Might need donations for that if she wants to do a raised bed.

Walk across texas will be starting soon and need donations for the winners of the staff. Fallon is going to get some gift cards for that.

Our next meeting will be right before water day to talk about what all donations will be needed for the concession stands that the kids will go to. Need volunteers for that too.
