

## THANK YOU FOR YOUR VOTE

the Office of the Superintendent: I am excited to announce that the Natalia ISD voters approved the Natalia ISD Bond Propositions A and B. Proposition A will fund renovations and additions to the Elementary campus and the Ag Science building and Proposition B will fund new softball and baseball fields with turf, dugouts, lights, and a concession stand with restrooms. Thank you, voters, for your support and commitment to Natalia ISD's continuous improvement. Your vote and advocacy have paved the way for significant improvements and developments that will positively impact our school community. Your dedication to investing in our future speaks volumes about the strength and resilience of the school community. Once again, thank you for your unwavering support and belief in our collective potential. Together, we have achieved something truly remarkable.

With heartfelt appreciation

Lana Collavo. Ed. D Superintendent Natalia ISD
