The Governing Board recognizes that private industry and the schools have a mutual interest in maximizing student achievement in order to prepare students to be productive citizens and contribute to the economic health of the community. The Board shall encourage local business involvement in efforts that support the core mission and goals of the district and promote the academic, social, and physical well-being of students.

The Board and the Superintendent or designee shall develop strategies to initiate business partnerships and shall communicate with business partners about district needs and priorities. The Superintendent or designee may assign district staff to coordinate community/business outreach efforts on behalf of the district and work to ensure equitable distribution of business involvement across all district schools.

Businesses and industry and/or their representatives may support district schools and programs by:

1. Volunteering in the classroom or school, providing special instructional programs or assemblies, and serving as tutors or mentors for individual students
2. Donating funds, products, instructional materials, or services that serve an educational purpose
3. Purchasing advertisements in school-sponsored publications or on school property in accordance with law and Board policy
4. Serving on advisory committees in order to provide business expertise or perspectives
5. Working with district staff to ensure the relevance and rigor of the district's career technical education program and providing work opportunities for students enrolled in these programs
6. Engaging in other activities approved by the Superintendent or designee that are designed to increase student learning or support school operations

The Board urges employers to further support the schools by recognizing their employees' needs as parents/guardians, accommodating their needs for child care, and supporting their involvement with their children's schools.

The Superintendent or designee may publicly acknowledge the support of a business partner in district communications and/or by allowing the use of the business name or logo on donated products or materials, but shall not unduly promote or endorse any commercial activity or products. He/she also may recommend Board commendation to those individuals and/or businesses that have made extraordinary contributions to the district.

The Superintendent or designee shall regularly report to the Board regarding the district's progress in establishing and sustaining business partnerships and the ways in which businesses have supported district programs.
