

Oracle Elementary School District
Governing Board's Strategic Goals
2022-2023 School Year
Adopted - August 18, 2022

STUDENT ACHIEVEMENT

Strategic Goal: The District will narrow the achievement gap between State averages as measured by State standardized assessments.

Objectives:

The District will:

1. Obtain Quality First Funding for preschool.
2. Hold quarterly study sessions to learn the results of any new academic Initiatives and remain "in the loop" regarding benchmark achievement data.
3. Increase enrollment in the National Board Certified Teacher (NBCT) program by at least one.

FINANCE & ADMINISTRATION

Strategic Goal: The District will ensure funding is spent to produce better academic achievement.

Objectives:

The District will:

1. Approve a plan for the disposition of the Oracle Ridge property.
2. Maintain grant supported staff and hire/contract a school counselor.
3. Convey necessary teacher support requirements to the community by utilizing existing resources including our district website and school Facebook account.

SAFE CAMPUSES

Strategic Goal: The District will provide safe and engaging learning environments which promote the physical, mental, and emotional well-being of students.

Objectives:

The District will:

1. Identify outstanding safety deficiencies and seek funding to minimize.
2. Adopt a new benchmark tool to ascertain the "whole-child" health of our students.
3. Foster a positive staff culture and climate by conducting a review of pertinent policy areas.

COMMUNITY OUTREACH

Strategic Goal: The District will increase community engagement.

Objectives:

The District will:

1. Focus on engagement with Eagle Crest Ranch and the Town of Oracle.
2. Review Oracle Schools Foundation funding against academic results achieved, to ascertain whether changes are recommended.
3. Encourage Mt. Vista PTO to give an annual presentations to the Board on how they are supporting student achievement.
4. Increase Governing Board visibility at school events and during the traditional school day.
