Williamsburg County School District unveiled a new logo as of January 2023. The rebranding of the district was imperative as Williamsburg County School District Imagines Greatness and strives for greater achievement and progress in every area. The new district superintendent Dr. Kelvin Wymbs envisioned a new and modern logo that reflects the intricate work of the school district. The new logo features the following colors: navy blue, lime green, and gold and will be visible on all Williamsburg County School District documents and materials. The WCSD school district family assisted in the selection of the new logo by voting from a roster of three different options.
