

# It's more than a meal application.

Even with free meals for your school district, it is still important to submit a free/reduced-price meal application.

Completing an application takes less than 10 minutes and all information remains private and confidential. Only one application per household is needed.

Meal applications may be downloaded from your school's website or obtained from the district's food service director.

**Don't delay! Complete and submit an application today!**  
**Filling out the school meal application may help provide:**

Afterschool academic and enrichment programs

Free/reduced meal 30-day rollover for the next school year

State and federal funding for school budgets

Funding for computers and technology at home and for your school

Fee waivers for college applications and admissions tests

P-EBT eligibility

Resources for classrooms, teachers, and children
