

Vision

SMHS develops clear, unified practices and policies for all stakeholders in order to continually improve student learning.

SLO's

S = Socially Adjusted
A = Academically Advanced
I = Independent Learner
N = Noteworthy Citizen
T = Technologically Savvy

Mission

SMHS assures that all students achieve the high levels of learning required for success in college, career, or post-secondary training.

Kudos:

Thanks security team!! You have taken on new jobs, new responsibilities, and new coverages this past week and it has absolutely made a difference. We all appreciate the help and the professionalism. Your approach to what are often tough situations, always emphasizes mutual respect between staff and student, sets the tone for the whole school and its culture.

We made adjustments last week and have had no fights and far fewer other infractions since. Great job team!!

From the Principal: (Steve Campbell)

Along the same theme as this week's kudos, we'd like to thank the entire staff. In addition to the changes made within our security team, we also asked teachers and staff members to re-commit to many classroom practices including:

- First 10 and last 10
- Phones checked in while in class
- Phones stay in the room when students go to the restroom
- Students always have a hall pass when out of the classroom

I am happy to report your efforts towards these policies are working very well. With your help there have been no fights this week and all other forms of student discipline are down dramatically. It just goes to show, when the whole staff works together, things change quickly and dramatically. With the high stakes out there for our kids I think these steps are necessary, thank you all for your cooperation. Please keep it up, it is working in a real way. Have a great weekend.

Sincerely,

(Steve Campbell, Principal SMHS)
