

Tripoli Community Schools
Transportation Information & Bus Routes
2026/2027

Dear Tripoli Families,

Welcome to the 2026/2027 school year! We're excited to have your family back and want to help make sure everyone has a safe and smooth start to the school year.

There are some transportation route changes this year, so please take a few minutes to review the information below. Your child's bus route, pick-up location, or pick-up time may have changed.

RURAL ROUTES

Updated rural bus routes are available on the Tripoli Community School website under the Parent tab under transportation.

PICK-UP TIMES

The pick-up times listed below are approximate, especially during the first week of school. Please have your child ready and waiting **at least five minutes before** their scheduled pick-up time.

Because buses make multiple stops, a delay at one stop can **affect the timing of the stops that follow**. Our drivers will work to stay on schedule while making sure every student gets to school safely.

Please wait at least five minutes past the scheduled pick-up time before contacting the school. We appreciate your patience as everyone gets used to the new routes and schedules.

SEATBELT USE

The Tripoli Community School District is committed to providing the safest possible transportation for students. In accordance with the Iowa law and District expectations, all students riding buses equipped with seat belts are required to wear them while the bus is in motion. Drivers will remind students to buckle up before departure and students who need assistance should ask the driver for help.

Questions

If you have questions about your child's bus route, pick-up location, or transportation schedule, please contact:

Kathy Fink
Transportation Director
finkk@tripoli.k12.ia.us

Thank you for taking the time to review this information and for helping us make transportation safe and successful for all our students. We appreciate your patience and understanding as we get everyone settled into the new school year.
