2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Welcome to Santa Maria High School, the home of the "Saints." Santa Maria High School is located in the heart of Santa Maria and is dedicated to meeting the personal needs of all students. Our school has a fantastic staff of teachers and para-professionals who engage all students in innovative educational practices and provide them with a first-class education.

SMHS graduates have attended colleges and universities throughout the nation, including Harvard University, all CSU and UC campuses, several private universities, and the Military Academies, to name a few.

SMHS offers a variety of other programs to meet the varied needs of our students. These include AVID (Advancement Via Individual Determination), BSU (Black Student Union), CSF (California Scholastic Federation), FBLA (Future Business Leaders of America), FFA (Future Farmers of America), GSA (Gay-Straight Alliance), Spanish Honor Society, and other clubs and organizations. SMHS offers 41 AP foreign language, English, Math, and social science courses. Student achievement continues to be the number one priority for Santa Maria High School. We encourage all parents/guardians to partner with our staff, teachers, counselors, coaches, and administration in supporting and ensuring your student's academic and school performance is a successful experience. Parents/Guardians and community members are an integral part of our school. We encourage students to join a club, sport, or extra-curricular activity to become part of an even more excellent Saint experience beyond the regular school day. We also highly encourage parents to get involved in their student's schools. Below are programs and committees parents may join:

- ELAC (English Language Advisory Committee)
- SSC (School Site Council)
- SDM (Shared Decision Making)
- Un Cafecito/Coffee with the Principal

SMHS will be holding its 131st Commencement in June 2024. We are proud of our long history, traditions, and distinguished graduates. A former Saint is currently the Mayor of Santa Maria, and many of our graduates have distinguished themselves in the fields of education, medicine, government, law, and business. We believe that you will be duly impressed with the breadth and scope of our school and the education that is provided to all of our students. For a copy of this SARC report, don't hesitate to contact the Principal's Office at (805) 925-2567, extension 3702.

Vision:

2023-24 School Description and Mission Statement

SMHS develops transparent, unified practices and policies for all stakeholders to improve student learning continually.

Mission:

SMHS assures that all students achieve the high levels of learning required for success in college, careers, or post-secondary training.

Motto:

Enter to Learn, Go Forth to Serve

Expected School-wide Learning Results:

Socially adjusted
Academically advanced
Independent learners
Noteworthy citizens
Technologically savvy

Sincerely,
Steve Campbell, Principal

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	4.30
Misassignments	8.40	10.40
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	8.40	14.70

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	1.00	0.40
Local Assignment Options	0.50	3.20
Total Out-of-Field Teachers	1.50	3.60

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	7.1	7.9
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	3.3	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

SMJUHSD provides standards-based aligned textbooks for all students. The textbooks are adopted from a state-approved list. Every student has access to their own textbooks and instructional materials, including English Learners.

Textbook selection is a collaborative process. Textbooks are selected through content area department meetings at the District level. State approved textbooks are evaluated by certificated staff (who teach that specific area content) to determine which one best meets the needs of all students in the district. The selection is then sent to the Board of Education for approval.

School Facility Conditions and Planned Improvements

Santa Maria High School has buildings that date back to the 1920s. New buildings have been constructed nearly every decade since. Approximately half of the permanent buildings were modernized between 2000 and 2005. The school encompasses 36.4 acres in the central section of the City of Santa Maria.

The school consists of the following facilities:

- Total classrooms: 178
- Permanent Classrooms: 115
- Portable Classrooms: 63 (12 removed summer 2023)
- Restrooms: 59
- Administration Building (New 2023 - part of 50-Classroom Building)
- Library Building
- Cafeteria Kitchen (Added 2006)
- Cafeteria Dining Room (Added 2006)
- Athletic Facilities
- Gymnasiums (2)
- Football Field (Renovated May 2008)
- Football Stadium (Renovated May 2019 - Track and 2020 - Turf)
- Baseball Field
- Softball Field
- Basketball Courts (outdoor)
- Pickleball courts (outdoor)
- Swimming Pool (Added 2012)

Santa Maria High School is a closed campus with a controlled access plan in place. Locks, keys, gates, and doors are monitored every day of the year. The school is in good condition, and the school is cleaned daily.

The Custodial Staff consists of 17 FTEs. The distribution is as follows:

1-custodial supervisor evenings weekdays
10-evenings Monday - Friday
4-weekdays (3 classroom vacuuming/student restroom cleaning)
2-evenings and weekends

Grounds maintenance is provided by 5 FTEs: 2-Grounds Maintenance on weekdays
2-Grounds Maintenance days and weekends

Building maintenance is provided by 3 FTEs:
2-semi-skilled Building Maintenance weekdays
1-Electrician

The school shares six (6) central maintenance personnel with the other schools in the District: Lead Maintenance, Carpenter/Welder, Plumber, HVAC Technician, and two Painters.

Although the State discontinued the State School Deferred Maintenance Program, the District continues to set aside funds in a restricted account to address expenditures for significant repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, and floor systems. For the 2022-23 fiscal year, the District spent \$676,883 on deferred maintenance. In addition, for the 2022-23 fiscal year, the District spent \$4.39 million in Routine Restricted Maintenance expenditures (California Education Code Section 17070.75), which amounts to 3.14% of the District's General Fund expenditures.

Planned Improvements (School Year 2023-24):

Reestablish the northwest parking lot
Revise Thornburg Parking Lot for Student Drop-off
Replace softball field
Replace roofs on portable classrooms
Improve campus landscape
Furnish a new Wellness Center

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	12	10	15	14	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2022-23 Career Technical Education Programs

Santa Maria High School (SMHS) offers comprehensive, high-quality Career Technical Education (CTE) Programs designed to offer industry-recognized skills, a hands-on curriculum, and work-based experiences to ensure career opportunities after graduating high school. SMHS offers high-quality CTE pathways in the following sectors: Agriculture and Natural Resources, Arts, Media and Entertainment, Business and Finance, Engineering, Family and Consumer Science, Hospitality, Recreation, Tourism, Information and Communication Technology, Manufacturing and Architecture, and Transportation. The SMHS Agriculture Program is a top-ranked program in the State of California and FFA Regional Chapter of the year, holding the second largest quantity of industry-recognized certifications by students, and offers many opportunities for work-based learning. The Business program now includes Certiport Microsoft Certifications, a student-run store, and we are building multiple partnerships for work-based learning. SMHS has an active FBLA Chapter. Students in the Transportation pathway not only learn auto mechanics, they learn professional racecar mechanics with a driver on an SMHS Top Alcohol Dragster and Funny Car. The students form the crew, travel, and compete against other professional racing teams. The SMHS Sports Motor club is one of only a few high schools in the United States competing in racing events with their own vehicle. SMHS just began an Engineering Pathway with a state-of-the-art, hands-on lab focusing on architectural design, transportation, energy, environment, robotics, manufacturing, and construction design as the students focus on real-world engineering applications. This program includes access to industry-utilized technology, certifications, skill-building experiments, data collection activities, and work-based learning activities. SMHS has several Concurrent Enrollment classes and holds many articulation agreements with Allan Hancock College.

SMHS CTE Curriculum includes a few ROP offerings blended and supported with other CTE Pathways through Perkins, ROP, CTEIG, and our district LCAP plan. We currently share Advisory Committees and Advisory events such as the District Advisory Committee and Student and Industry Advisory, as well as Allan Hancock College's State of the College. We have industry and college advisors for every CTE pathway offered. We have over 21 industries informing our educational practice and well over 100 industry partners. Please see the District's website for CTE pathways, courses, and contact information.

SMHS has a Career Center, with a College and Career Specialist and two counseling positions dedicated to ensuring students' future goals and objectives are supported and pursued. There is also a full-time Allan Hancock College Counselor and an EOAP Advisor from UCSB. Students receive assistance and support filling out FASFA applications, college and university applications, and career pathway and employment skills information. SMHS utilizes Career Cruising for student interest surveys, resume development, and college transfer preparation. SMHS collects student interest surveys from every incoming student to better inform our offerings and Guidance Counselors for student course placement. SMHS also possesses CTE pathway brochures promoting their programs and informing students and families about the CTE Pathways offered and the local employment wages ties to that pathways.

Starting 2021-2022, students have the ability to take classes at the District's Brand new CTE Facility, the Mark Richardson Career Technical Education Center & Agricultural Farm. 2021-2022 classes include Residential and Commercial Construction, Solidworks, MasterCam, and Survey of Machining. Future Classes include Culinary Arts, Diesel, and AG.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

SMHS's School Site Council (SSC) has three parent members and three students. The council approves the Single School Plan for Student Achievement (SPSA). The site's Shared Decision Making (SDM) committee has three parent members and three students. Santa Maria High School also has an English Language Advisory Committee (ELAC), which has meetings to address issues of our English Learner student population. We also have a parent forum named Un Cafecito for English- and Spanish-speaking parents, which serves as informational-themed sessions and an open parent forum for school improvement. These meetings have an average of over 300 parents in attendance. Our parent communication is promoted through the use of Parent Square notifications, the school website (www.santamariahighschool.org), and a Weekly Update from the principal to all parents via Parent Square delivered in Spanish, Mixteco, and English. We also host a Parent Center in our administration building to personally assist parents in registration, translation, guidance, and alignment with other community services.

FFA, FBLA, and ROP have Parent-Community Advisories that meet twice yearly to guide their respective courses and programs.

2023-24 School Safety Plan

Santa Maria High School is dedicated to providing all students with a safe and orderly learning environment. The School Safety Plan was developed with the assistance of the Santa Maria Police Department and District stakeholders to provide a safer school environment and guidelines for use during a disaster or on-site crisis.

The Comprehensive School Safety Plan was reviewed by the School Site Council on March 01, 2023, and includes an assessment of crime in and around the school. It also includes the following programs and strategies to address the crime and provide a safe school environment:

- A tardy policy reminds students that they are responsible for getting to school on time
- School Resource Officer staffed by Santa Maria Police Department
- Two-way radio communication between site administrators and Campus Security staff
- Telephones in every classroom for quick access to emergency resources utilizing a designated 3000 phone extension that connects to 10 simultaneous administrative lines
- An Outreach Consultant who is involved in activities to promote parent involvement
- Student Identification cards must be presented when entering the campus
- Visitor parking provided with handicap accessibility to enter the administration building
- More than 45 clubs sponsored by the Associated Student Body and over 20 athletic teams
- Implementation of an anti-bullying program which is designed to educate students to build a bully-free school environment

To provide safe ingress and egress, all school gates are numbered for easy identification in an emergency. Santa Maria High School observes a closed campus policy during normal school hours. Additionally, campus security officers monitor the campus before, during, and after school to ensure the safety of the students.

An incident command system is in place to provide order and direction in the event of an emergency. The plan complies with

2023-24 School Safety Plan

California's Standardized Emergency Management System (SEMS) and the Federal National Incident Management System (NIMS).

Fire/Duck and Cover drills are conducted every semester.

Professional Development

The site and district establish staff development needs by analyzing student test data. Site goals are developed for the SPSA (Single Plan for Student Achievement) focusing on improving student achievement and are aligned to the district's Local Education Agency Plan (LEAP), through Title I and LCFF (Local Funding Control Formula) dollars. Santa Maria High School faculty have been able to attend a variety of core content area conferences. They have also participated in staff development workshops: RTI (Response To Intervention), PLC's (Professional Learning Communities), Equity and Access, EL (English Learner) instructional strategies, and sustainable leadership capacity that increase student achievement. Faculty may also apply to attend conferences, workshops, or trainings that align to the SPSA's (Single Plan for Student Achievement) goals. As a site and district, we have focused on instructional strategies for our English Learner (EL) students. Santa Maria High School has early out on Mondays for faculty collaboration, and two staff development days per year.

This table displays the number of school days dedicated to staff development and continuous improvement.
