Each LEA in Alabama must develop and implement a Comprehensive English Learner (EL) District Plan, in accordance with Section 3115 of Title III of the *Every Student Succeeds Act* (ESSA) for serving students who are English learners and immigrant students. **The LEA is required to have a Comprehensive EL District Plan whether or not the LEA has ELs enrolled and regardless of Title III eligibility.**

The Comprehensive EL District Plan should address each aspect of the instructional program for all ELs, at all grade levels, and in all schools in the system. The Plan should also: contain sufficient detail and specificity so that all employees can understand how the plan is to be implemented and should contain the procedural guidance and forms used to carry out responsibilities under the Plan.

To facilitate LEA compliance and the Alabama State Department of Education (ALSDE) review of the Plan, LEAs will develop the Plan using the template in eGAP 2.0. LEAs may refer to the [ALSDE EL Guidebook](#) when developing and revising the Plan for a clear understanding of the requirements for serving ELs.
