Phone: 662-581-3032

Contractor Requirements

The contractor must, as a minimum, provide the following specifications:

- Provide teacher coaching in the area of Reading, English, Math and Science
- Provide professional development to all staff in all content areas to include ACT prep and testing strategies.
- Assist in lesson planning
- Create Standards Based classroom assessments.
- Provide coaching to develop data plans to impact differentiated instruction for all learners to further assist with remediation and enrichment efforts
- Provide professional development and leadership through job-embedded coaching and workshops to include, but not limited to collaboration, research-based reading and math teaching strategies and the creation of an effective virtual learning environment.
- Develop and submit reports to the school administration and/or district contact not later than the following Monday of the week that the services are provided.
- Analyze data and use multiple data points to correlate student achievement to teacher effectiveness.
- Assist the school's leadership team in assessing students' learning strengths and gaps using assessment data from a variety of sources to include state, school, district data, or other sources; help to facilitate regular data meetings

with the school's leadership team to assess, monitor, and adjust students' learning based on the students' identified strengths and weaknesses.

- Provide any other training as identified by observation or upon the district's and/or school's request
- Adequate fiscal resources to support continuing services over multiple years
- Proven history of delivery of service

Data Requirements

- 25% increase in teacher performance according to the Teacher Growth Rubric.
- 15% or more decrease in the number of students scoring in the basic and minimal category measured by EOY State Test results or the most recent benchmark assessment in the areas of ELA , Math and Science.
- 15% or more increase in the number of students scoring in the proficient and advance category measured by EOY State Test results or the most recent benchmark assessment in ELA, Math, and Science.
- 60% or more increase in the number of students obtaining a composite score of 21 or more on the ACT in comparison to students the prior year's average.
