

KEYSTONE CENTRAL SCHOOL DISTRICT
86 Administration Drive, Mill Hall Pennsylvania 17751

Dear Keystone Central Families,

At Keystone Central School District, we are proud to provide safe and reliable transportation for eligible district residents who attend charter, non-public, or parochial schools located within district boundaries.

To receive transportation for the **2026–2027 school year**, families must **complete and submit a new Transportation Request Form each year**. Transportation requests do **not carry over from one school year to the next**, and a separate form must be completed annually for each student who requires transportation.

We kindly ask families to **submit completed forms before the end of the current school year**. This allows our transportation team adequate time to plan routes, assign buses, and ensure services are ready for the first day of school. Requests received during the summer may not be processed in time for the start of the school year and could delay transportation services. Please note that transportation cannot be provided unless a completed form is on file.

Completed forms may be returned to your student's school or sent directly to the KCS D Transportation Office at transportation@kcsd.k12.pa.us. When completing the form, please include the student's **physical 911 address**, as P.O. Boxes cannot be used for transportation purposes.

If you need to make a change after submitting your request, such as an address update, school change, or secondary stop request, please submit an updated Transportation Request Form to the Transportation Office as soon as possible.

We appreciate your partnership in helping us provide safe, efficient, and reliable transportation for all students who rely on this service. If you have any questions, please feel free to contact the Transportation Office.

Thank you,
The Keystone Central School District
Transportation Department
