SENIOR RESEARCH PAPERS

Dear Parents and Guardians:

Just a reminder that if you have a senior student (class of 2021) they are currently taking English 12A. All seniors, whether they are enrolled in Thrive classes or are doing Comprehensive Distance Learning (CDL), will need to pass English 12A and complete the senior research paper in order to graduate. If your student is behind on the paper it is urgent that they work to get caught up as soon as possible. The final due date for the completed SRP is Friday, November 13th, 2020. If your student needs extra help they can access teacher office hours from 2:30-4pm Monday, Tuesday, Thursday, and Friday or the Wednesday academic help sessions with their case manager if they are on an IEP.

Please contact your student's classroom teacher— Mrs. Baertlein (sbaertlein@seasidek12.org) or Ms. York (kyork@seasidek12.org) -- for more specific information.

Thank you!

WEDNESDAY WORK

While students and teachers don't meet in Zoom classes on Wednesday, it is still considered a school day. Many classes include assignments for students to work on for that day of the week. Please check Canvas for each class so you don't fall behind! Canvas includes a list of assignments in "modules" and some teachers also put out "announcements" on the Canvas page to remind students about Wednesday work. If you are unsure about what to do, be sure to ask your teacher during regular class time.
