# Academic Excellence

- 13 students enrolled in K5
- 5th graders tend to advance to a magnet school upon completing our program
- At least one student from K3, K4, and K5 are reading independently

# Executive Director's Report

"In every thing give thanks: for this is the will of God in Christ Jesus concerning you."

1 Thessalonians 5:18

God has been good to RCA and we are thankful!

Our Early Education campus continues to hold a waiting list for our infant and toddler division and the afterschool program is full. We are embarking upon completing our application for a STAR 3 or higher with Alabama Quality Stars.

At the elementary campus, we ended the 2023-2024 school year with 27 students and began the 2024-2025 school year with 40. All of our grade levels are isolated with the exception of the 4th & 5th grade which is a combined classroom. Every elementary teacher holds an Association of Christian Schools International Teaching Certificate.

Myself along with the Pastor, School Board, Teachers, Parents, and Students participated in a Strategic Planning process to create a plan to elevate RCA even more to higher heights. We are excited about what God has in store for us!
