**PARENTS - To be read and signed by parents or guardians of students who are under 18:**

- As the parent or legal guardian of the above student, I have read, understand and agree that my child or ward shall comply with the terms of the school system's Student Acceptable Use and Internet Safety Policy, provided in this Student Handbook, for the student's access to the school system's computer network and the Internet. I understand that access is being provided to the students for educational purposes only. However, I also understand that it is impossible for the school to restrict access to all offensive and controversial materials and understand my child's or ward's responsibility for abiding by the policy. I am therefore signing this policy and agree to indemnify and hold harmless the school and the school system against all claims, damages, losses and costs, of whatever kind, that may result from my child's or ward's use of his or her access to such networks or his or her violation of the foregoing policy. Further, I accept full responsibility for supervision of my child's or ward's use of his or her access account if and when such access is not in the school setting. I hereby give permission for my child or ward to use the building-approved account to access the school system's computer network and the Internet.
- I understand that my student is responsible for all of the policies and procedures contained in the handbook.
- I have received a copy of the Attendance Policy and understand that I can be charged with a misdemeanor if my student obtains the sixth (6) unexcused absences. Parents, guardians, or other persons with control or charge of children are required to enroll and send students to school. Any student subject to compulsory attendance laws who has five or more unexcused absences shall be considered truant and subject to system discipline policies and procedures.
- I understand that certain information (name, date of birth, participation in clubs and sports, awards, photographs, etc.) is considered Directory Information and may be released to the media (local newspapers) for publication.
- I acknowledge that all clubs and extracurricular activities with related information are listed in this handbook and have been made available for review. Any new clubs or activities formed during the school year will require that information is sent home and that I must grant permission for my student to participate. I understand that if I wish for my student to "opt-out" of clubs and extracurricular activities I will contact the front office.

\_\_\_\_ I refuse permission for the release of any Directory Information
