2017-2018	12.4%
2018-2019	11.5%

Dropout Prevention Plan Smith County School District

District Goals

Goal 1: Focus Area – K-2 Course Performance – Date Source: Student Intervention Report
Decrease the number of students receiving Tier II/ III or retained in grades K-2 by 5-10%, through curriculum alignment, as measured by the Student Intervention Report by the end of the 2023 school term.
Actionable Steps/ Plan to Progress Monitor: - District will start Pre- K program through the State Invested Pre- K program   - Monitor student outcomes on classroom and district data (KRA and Brigance)   - Identify and intervene with those students who show signs of struggling academically at onset   - Monitor grades, discipline and attendance   - Inform parents and community of curriculum changes and the projected outcomes

Goal 2: Focus Area - Attendance – Chronic Absenteeism - Data source District Report Card
Decrease chronic absenteeism by 5% through the establishment of partnerships with the local attendance office, parents and through the successful implementation of PBIS, as measured by monthly attendance reports and the District Report provided by MDE, by the end of the 2023 school year.
Actionable Steps/ Plan to Progress Monitor: - Identify students who are considered at-risk for chronic absence based on attendance the previous year and within the first two months of schools. This done by working closely with the School Attendance Officer   - Develop a definition of Chronic absence to be used district wide   - Develop action plans for attendance that includes both parent and students   - Educate parents on the importance of school attendance   - Build partnerships with mental health, housing and other organizations that can serve as a support for students and their family.

Goal 3: Focus Area – Graduation Rate – Data Source – District 5 year graduation trends
Obtain and sustain a 90% graduation rate, through supportive measures such as academic counseling and parent engagement opportunities focused on graduation and specifically the 7-12 grade range, as measured by the District Graduation rate by the end of the 2023 school term.
Actionable Steps/ Plan to Progress Monitor :   Counselors create an individualized graduation plan for students based on students' career and education goals.

Dropout Prevention Plan Smith County School District

- Proactive response and monitoring of students that may be At- Risk of not graduating through the assistance of District Early Warning System(EWS) team
- District has collaborated with state to hire an Academic Success Coach.
- Identify students who need individualized support and assign a single person to be the students primary advocate. The primary advocate will build a relationship with the student, develop an individualized plan for each student, monitor the student's attendance, behavior, and academic progress regularly, establish connections between students, families, and school personnel and act as the go to person at the school for the student (*Preventing Dropout in Secondary Schools, National Center for Education Evaluation and Regional Assistance, September 2017*).
- Educate parents on course requirements for graduation; include parents in planning to support students who are struggling to meet requirements.

Goal 4:   Focus Area – Recovery – Dropout recovery initiatives
1-2% increase in the number of students ages 17-21 who have dropped out who are eligible for re-entry by providing the necessary support systems, as measured by graduation requirements met by those students who re-enter.
Actionable Steps/ Plan to Progress Monitor: - Collection of data to identify students who meet dropout indicators. - Recovery initiatives will be in place to provide information and resources for students who are eligible for re-enrollment on diploma track.

Goal 5: Focus Area – Recovery – Transition to home school from juvenile detention centers
Actionable Steps /Plan to Progress Monitor: ▪ Follow state policy for transitioning students from the juvenile detention center to their home schools. ▪ Administrators, counselors, and interventionists will be informed when release notifications are received by the district. ▪ In-take meeting with parent and members of transition team (administrator, counselor, parent and etc.) to plan a successful transition into school setting. ▪ The transition team will collect and monitor data i.e. grades, attendance, behavior and any other information that assist in aiding a successful transition and sustainability in the school environment. ▪ One- to- one counseling ▪ Parent conferences offered to keep parents informed of student academic progress and any other pertinent information. ▪ Grades, discipline and attendance will be monitored by the counselor and interventionist

Dropout Prevention Plan Smith County School District

Dropout Prevention/Restructuring Plan Assurances Page

On behalf of Smith County School District, I hereby submit the Dropout Prevention/Restructuring Plan to provide goals, activities, and services necessary to meet the overarching goals of the state dropout prevention plan:

> Reducing the retention rates in grades kindergarten, first and second.
> Targeting subgroups that need additional assistance to meet graduation requirements.
> Developing dropout recovery initiatives that focus on students age seventeen (17) through twenty-one (21), who dropped out of school (i.e., Mississippi Works).
> Addressing how students will transition to the home school district from the juvenile detention centers.

I hereby certify that our school district will evaluate our district dropout prevention plan on an annual basis to determine appropriate changes needed for future school years.
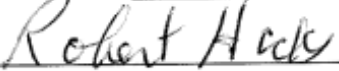

I hereby certify that our District School Board has reviewed and approved this plan for submission to the Mississippi Department of Education.
