HOUSE OF JOHN

We are proud to introduce and welcome back The House of John (formerly known as ALPS)!

In the mid-1500s, St. John of God went around the streets of Granada, Spain, helping the poor, sick, and those in most need. He desired to "have a house where those in need could be cared for in a manner reflecting their dignity and remind them of Gods' love." Almost 500 years later, we continue his legacy of welcoming those in need in a spirit of HOSPITALITY, reflecting their dignity and reminding them they are loved and valued.

In the House of John, all are welcome!
