

Jesus F. Ramirez Scholarship

The Jesus F. Ramirez (JFR) Scholarship will award two scholarships: a \$1,000 scholarship and a \$500 scholarship to a graduating senior who meets the qualifications set forth below.

The JFR Scholarship was established in 2019 in memory of Jesus Felipe Ramirez, co-founder of My Story and an Antonian parent and faculty member. He will always be recognized and respected as an amazing visionary, an award-winning television and film producer, a published author, a professional photographer, a musician, song writer, teacher, director, artist, mentor, business-man, and inventor. Beginning with the 2013-2014 school year, Jesus proposed a video production class called Apache Productions that focused on building young, creative minds interested in radio, television, writing, editing, and producing.

Jesus was the father of eight children, all eight are Antonian alumni. His passion was creative storytelling. With an incredibly creative soul and sharp eye, he captured and valued the stories of his family, and others. Jesus was clear about his mission while he lived on this earth--to leave behind a legacy that future generations can benefit from.

Antonian seniors, What story will you tell? This is your book; you are the author of your story. Will it be funny? Will you touch heart strings? Be creative and capture your audience.
