April 2024

Principal's Corner

"Education is the most powerful weapon in which you can use to change the world!" Nelson Mandela

April has arrived and our students are feeling the Spring fever! Parents, please assist us by reminding your child how important it is to remain on task during the last couple of months in school.

The IOWA/CogAt assessment will be administered during the week of May 6-10th to students in 2nd-5th grade.

Permission forms for the end of the year field trips will be coming home soon. Please be on the lookout!

On April 25th, we will have our next PTCF meeting. Information about scholarships, School Choice Bill, and more will be discussed. Please make plans to attend.

Thank you, Parents, for supporting our Resurrection Program by assisting your child with their parts. It was a great success!! We give all praises to God!!
