

534 SCHOOL MEALS POLICY

[NOTE: In 2021, the Minnesota legislature amended Minnesota Statutes, section 124D.111, to require that Minnesota school districts that participate in the national school lunch program adopt a school meals policy. In 2023, the Minnesota legislature amended the statute to create the free school meals program].

[NOTE: This MSBA/MASA model policy is drafted to be consistent for all grade levels. However, local school districts may vary the meal charge policy for elementary, middle, and high schools.]

[NOTE: School districts must follow appropriate debt collection practices when attempting to recover unpaid a la carte item or second meal charges.]

I. PURPOSE

The purpose of this policy is to ensure that students receive healthy and nutritious meals through the school district's nutrition program and that school district employees, families, and students have a shared understanding of expectations regarding meal charges. The policy of the school district is to provide meals to students in a respectful manner and to maintain the dignity of students by prohibiting lunch shaming or otherwise ostracizing the student. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day and minimize identification of students with insufficient funds to pay for a la carte items or second meals as well as to maintain the financial integrity of the school nutrition program.

II. PAYMENT OF MEALS

[NOTE: Payment systems and procedures will likely vary from school district to school district. The school district should select one of the following options and delete the remaining options.]

A. **[OPTION 1:** *All a la carte items or second meal purchases are to be prepaid before meal service begins. [Insert description for how families may add money to students' accounts (e.g., electronic payment options, pay at the school office, etc.).] A student who does not have sufficient funds will not be allowed to charge a la carte items or a second meal until additional money is deposited in the student's account.***]**

[OPTION 2: *Students have use of a meal account. When the balance reaches zero, a student may charge no more than \$[insert amount] or [insert number of meals] to this account]. When an account reaches this limit, a student shall not be allowed to charge second meals or a la carte items until the negative account balance is paid. [Insert description for how families may add money to students' accounts (e.g., electronic payment options, pay at the school office, etc.).]***]**

[OPTION 3: *Insert a school district-specific process for payment of a la carte items or second meals.***]**

 - c. A student who has been determined eligible for free and reduced-price meals must always be served a reimbursable meal even if the student has an outstanding debt.

- F. - G. A student may purchase a second breakfast at the nonprogram price if the student has already selected a reimbursable breakfast.
- H. A student may purchase a second lunch at the nonprogram price if the student has already selected a reimbursable lunch.

[NOTE: New paragraphs G and H apply if a school district receives school breakfast aid under Minnesota Statutes, section 124D.111 or school lunch aid under Minnesota Statutes, section 124D.111 respectively.]

In some instances, the school district does use a collection agency to collect unpaid school meal debts after reasonable efforts first have been made by the school district to collect the debt. Collection options may include, but are not limited to, use of collection agencies, claims in the conciliation court, or any other legal method permitted by law.
- D. The school district may not enlist the assistance of non-school district employees, such as volunteers, to engage in debt collection efforts.
- E. The school district will not impose any other restriction prohibited under Minnesota Statutes, section 123B.37 due to unpaid student meal balances. The school district will not limit a student's participation in any school activities, graduation ceremonies, field trips, athletics, activity clubs, or other extracurricular activities or access to materials, technology, or other items provided to students due to an unpaid student meal balance.

[NOTE: School districts that use a collection agency to collect unpaid school meals debt must address this in this policy. A new paragraph F. can be added to address the use of a collection agency.]
