Call us for expedited access to a local system of behavioral health services

Behavioral Health Connections Georgia was created to provide referring providers and patients with a single point of access to a full spectrum of services in Atlanta. We offer referring providers ease of access 24/7 to refer patients to any level of care or specialty program within our network of affiliated providers.

We are also able to assess individuals for potential behavioral health needs to help determine levels of care. If clinically appropriate, then our affiliated providers may be included as treatment options for your consideration.

Our network of affiliated providers have an established history spanning several decades as trusted community partners. We can be your resource for behavioral health treatment for your entire family with services for children, teens, adults and older adults. We offer comprehensive mental health and substance use disorder treatment to help members of our community lead better lives.

If you or someone you know needs behavioral health treatment, we can help. Call 770-343-3242 to be connected to a location that can provide the services you need.

For more information, visit behavioralhealthgeorgia.com.
