Experience:

At least one year student teaching or approved internship

Major Responsibilities and Duties:

Instructional Strategies

 Oversee Supervised Agricultural Experience Program (SAEP), including assisting students in selecting and managing projects.

LOHN ISD Job Description

- Serve as advisor to local Future Farmers of American (FFA) chapter, including planning and conducting leadership, citizenship, cooperative, career development, and competitive activities for students at local, regional, and state level.
- Develop and implement lesson plans that fulfill the requirements of district's curriculum program and show written evidence of preparation as required.
- Prepare lessons that reflect accommodations for differences in student learning styles.
- Present subject matter according to guidelines established by Texas Education Agency, board policies, and administrative regulations.
- Plan and use appropriate instructional and learning strategies, activities, materials, and equipment that reflect understanding of the learning styles and needs of students assigned.
- Conduct assessment of student learning styles and use results to plan instructional activities.
- Work cooperatively with special education teachers to modify curricula as needed for special education students according to guidelines established in Individual Education Plans (IEP).
- Work with other members of staff to determine instructional goals, objectives, and methods according to district requirements.
- Plan and supervise assignments of teacher aide(s) and volunteer(s).
- Use technology to strengthen the teaching/learning process.

Student Growth and Development

- Help students analyze and improve study methods and habits.
- Conduct ongoing assessment of student achievement through formal and informal testing.
- Assume responsibility for extracurricular activities as assigned. Sponsor outside activities approved by the campus principal.
- Be a positive role model for students and support the mission of school district.

Classroom Management and Organization

- Create classroom environment conducive to learning and appropriate for the physical, social, and emotional development of students.
- Manage student behavior in accordance with Student Code of Conduct and student handbook.
- Accompany and supervise students at all off-campus activities including contests, workshops, and field trips associated with the agricultural science program and FFA.
- Oversee process of maintaining facilities and equipment.
- Take all necessary and reasonable precautions to protect students, equipment, materials, and facilities.

LOHN ISD Job Description

Communication

- Establish and maintain open communication by conducting conferences with parents, students, principals, and teachers.
- Maintain a professional relationship with colleagues, students, parents, and community members.
- Use effective communication skills to present information accurately and clearly.

Professional Growth and Development

- Participate in staff development activities to improve job-related skills.
- Keep informed of and comply with state, district, and school regulations and policies for classroom teachers.
- Compile, maintain, and file all physical and computerized reports, records, and other documents required.
- Attend and participate in faculty meetings and serve on staff committees as required.

This document describes the general purpose and responsibilities assigned to this job and is not an exhaustive list of all responsibilities and duties that may be assigned or skills that may be required.
